# Introduction

## This Is Not Just Delay—It’s a Curse You’re Meant to Break

Have you ever felt like your love life is stuck in a waiting room with no clock on the wall? You’ve prayed. You’ve hoped. You’ve cried in silence. And still... the proposal never came. The right person never showed up. Relationships started and ended like short stories, never turning into the lifelong covenant your heart longed for.

You’re not alone.

There are millions who feel the sting of being overlooked, passed by, or constantly “almost married.” They wear smiles in public but weep in secret. Maybe you’re one of them—and if you are, I want you to know: **this book is your lifeline.**

### **You Were Never Meant to Stay Stuck**

Late marriage isn’t always just a matter of “God’s timing.” Sometimes, it’s sabotage.

I’ve seen it too many times to call it coincidence. I’ve worked with women in their 30s, 40s, even 50s—beautiful, intelligent,

and godly—yet marriage always seemed out of reach. I’ve walked with men who were successful in every area of life, but something spiritual kept blocking their path to finding the right partner.

What you’re experiencing isn’t random. It’s spiritual. It’s targeted. And yes—it can be broken.

For over **25 years**, I’ve helped individuals around the world break the chains of delay, rejection, and spiritual oppression when it comes to relationships. Through **mentoring programs, live boot camps, private deliverance sessions, prophetic conferences, and one-on-one spiritual coaching**, I’ve seen people go from confusion to clarity... from cycles of heartbreak to supernatural marital breakthroughs.

And now—it’s your turn.

## **Why This Book Was Written**

*30 Days to Break the Curse of Late Marriage* was created for those who are tired of the wait—and ready to confront what’s really going on behind the scenes. This is more than a self-help book. It’s a spiritual roadmap for deliverance, clarity, healing, and destiny alignment.

You’ll be guided one day at a time through powerful teachings, deep reflection, targeted action steps, scripture-based prayers, and prophetic declarations. Each chapter is designed to heal emotional wounds, shatter demonic patterns, and align you with divine timing—so that your God-ordained relationship can finally manifest.

This isn’t theory. It’s strategy. And it works.

## **A Glimpse Into Your Future**

I want you to picture this for a moment.

You're no longer weeping over empty anniversaries. You're not waiting for closure from the past. You're not wondering if you're invisible. Instead, you're walking in confidence, filled with peace, and aligned with your season. People who once pitied you now celebrate you. You're no longer single because of warfare—you're positioned because of wisdom.

That future is real. It's possible. It's waiting.

But it starts with this journey.

## **Your Transformation Begins Now**

You didn't pick up this book by accident. You were drawn here because your spirit knows it's time. It's time to expose the root of delay. It's time to break the curse of late marriage. And it's time to enter the season you were born for.

I'm not just handing you a book—I'm walking with you through a 30-day deliverance encounter. One that has already changed thousands of lives—and now it's your turn.

Let's begin this journey together.

**You've waited long enough. Now, let's war for what's yours.**

# Day 1

## The Hidden Hand Behind Late Marriage

Many people assume that delayed marriage is just a matter of timing, personality, or luck. They chalk it up to not finding the right person, being too focused on career, or “not being ready.” But what if I told you there’s something much deeper—something spiritual—working behind the scenes? What if your delay isn’t just circumstantial... but deliberate?

This delay may not be visible to the naked eye, but it’s real. It’s intentional. And unless it is dealt with spiritually, it continues to frustrate, delay, and destroy the hope of covenant marriage. This is what I call the *hidden hand behind late marriage*.

The first step to deliverance is always **exposure**. We cannot confront what we cannot see, and we cannot defeat what we refuse to name. So let’s pull back the curtain.

### **The Invisible Pattern**

You’re single—not because something’s wrong with you—but because something has been fighting against you. Have you noticed how relationships seem to collapse just when they get

serious? Have you ever experienced long-term interest from someone, only for them to mysteriously vanish? Do proposals never come, or do they always come at the wrong time from the wrong people?

This isn't coincidence. It's not bad luck. It's a **strategic attack**.

In many cases, this attack is **generational**. Somewhere in your family history, a covenant may have been made—an altar raised—an agreement spoken. That spiritual transaction gave demonic powers legal access to the marital destinies of those in your bloodline.

Sometimes it's a grandmother who made a pact to protect her children. Sometimes it's ancestral idol worship. Other times, it's spoken words like "no daughter of mine will marry a man like that" or "I don't ever want to go through what I went through again." These may sound like emotions, but in the spirit realm, they're legal declarations.

### **Signs of the Hidden Hand**

If any of the following resonate with you, you may be under the influence of this invisible force:

- Sudden rejection after serious interest
- Recurring dreams of weddings, rings, or spirit spouses
- A history of long relationships that never lead to marriage
- Family members who also married late or not at all
- Strong attraction to unavailable or married people
- Deep loneliness, yet a strange inner resistance to commitment

- A pattern of sabotaging relationships without knowing why

If even one of these rings true, don't ignore it. This isn't about shame—it's about clarity.

## **The Root Is Often Spiritual**

The spiritual realm governs the natural. And until you address the root, the fruit won't change. The spirit of delay, the spirit of rejection, and the spirit spouse are often at work here—either blocking the right people from finding you, or attaching the wrong ones to waste your time.

This book will help you identify those roots, uproot them through prayer and deliverance, and begin to attract and sustain the right relationships that align with God's timing and destiny for your life.

## **Journal Prompts**

- What patterns have I seen in my relationship history that might suggest a spiritual cause?
- Have I ever felt an unseen force sabotaging my relationships?
- Is there a history of late marriages, singleness, or broken engagements in my family line?
- Have I ever spoken or thought vows like, "I'll never get married," "I don't trust men/women," or "Marriage isn't for me"?

## **Action Step**

Write down a timeline of your relationship history. Look for recurring patterns—relationships that ended the same way, proposals that never materialized, or dreams that felt strangely significant. Ask God to reveal where the enemy has been hiding behind patterns in your past.

## **Affirmation**

I am not cursed. I am not forgotten. I am not broken. I am chosen. I was created for love, for covenant, and for joy. Every hidden hand working against my relationship destiny is being exposed and broken. My time is coming—and nothing can stop it.

## **Testimonies**

### **Jasper – Spain**

I had been in three serious relationships over 10 years, and all ended without explanation. Every time we'd start planning for engagement, the relationship would collapse. I started having dreams of a woman claiming to be my wife. After attending Bishop Climate's online deliverance boot camp, I went through prayer sessions targeting spirit spouses. Within three months, I reconnected with someone who had once walked away—and now we are married.

### **Monica – Spain**

For years I thought I was just unlucky in love. I never connected the dots. But after one-on-one counseling with

Bishop Climate, I discovered that my family had a long history of women who never married or married late. We broke the generational curse in prayer, and I went through a personal cleansing. Less than a year later, I met my fiancé in church. It was like scales fell off my life.

### **Real-Life Application**

This teaching isn't just spiritual—it's practical. You must be aware of patterns in your life and in your bloodline. Discernment is the weapon that exposes delay. Be intentional about praying through your relationship history. Ask trusted intercessors or your spiritual leader to pray with you. Don't be passive. Confront the delay. Speak against it. Anoint your home, your bed, and your diary of past events. Your breakthrough will follow your boldness.

### **Scripture & Prayer Focus**

**Isaiah 61:7 (NIV):** “Instead of your shame you will receive a double portion, and instead of disgrace you will rejoice in your inheritance. And so you will inherit a double portion in your land, and everlasting joy will be yours.”

#### **Prayer Focus:**

Lord, expose every hidden hand that has delayed my marriage. Open my eyes to the patterns I've missed, the vows I've made, and the spiritual attacks I've unknowingly tolerated. I ask for Your light to shine in every dark corner of my relationship destiny. Let every root be revealed and every delay be broken.

## **12 Prophetic Declarations**

1. I decree the veil of delay over my life is torn in Jesus' name.
2. Every invisible force blocking my marital destiny is exposed.
3. I command every spirit spouse assigned to me to be bound and cast out.
4. I declare I will not follow the delay patterns of my bloodline.
5. The curse of rejection is broken off my life.
6. My name shall be favored and remembered in this season.
7. I walk in divine visibility and attraction.
8. Every evil covenant made on my behalf is nullified by the blood of Jesus.
9. I declare freedom from every hidden altar fighting my joy.
10. The season of confusion is over in my love life.
11. I claim clarity, peace, and divine alignment.
12. I prophesy—my time has come to be found, loved, and joined in covenant.

## **12 Powerful Prayer Points**

1. Father, expose every demonic root behind my relationship delays.
2. I break every spiritual covenant working against my marriage in Jesus' name.
3. Every evil altar raised in my family to delay marriages—scatter by fire!

4. I silence the voice of every spirit spouse in my dreams and life.
5. Lord, deliver me from ungodly soul ties that still hold me bound.
6. Any vow I made in pain, knowingly or unknowingly—I renounce it now!
7. Let every curse of rejection, delay, or sabotage be reversed.
8. I anoint my name, my face, and my presence with divine favor.
9. Let the angels of visibility and divine connection locate me.
10. I uproot every stronghold of bitterness or fear sabotaging my future.
11. Father, release my name into the atmosphere of my ordained spouse.
12. I declare: no more delay, no more sabotage, no more missed seasons!

## **Final Thought**

This is only the beginning. For years, the enemy may have hidden in the cracks of your memories, your family history, and your silence. But no more. Today, you've begun the process of exposure. You've pulled the cover off the lie—and now healing and breakthrough can begin. Don't rush the process. Day by day, truth will replace confusion, boldness will replace fear, and breakthrough will replace delay.

**You were born for covenant. You were created to be loved. Now, let's walk forward and claim what's yours.**

## Day 2

### Family Patterns and Ancestral Cycles

There's something deeply unsettling about watching history repeat itself—especially when it happens in our own families. You've likely noticed it: a cousin who never married, an aunt who had multiple failed engagements, a mother who raised children alone, or a grandfather who abandoned his family. These aren't just unfortunate stories—they are **ancestral cycles**, and many of them are **spiritually inherited curses**.

When marriage is delayed generation after generation, this is no longer a coincidence. This is a **pattern**. And every pattern has a root. Until it is identified, exposed, and broken, it will continue to control the lives of everyone who comes after.

Marriage is a covenant—one that God ordained not only for companionship but for legacy. The enemy knows this. And that's why he attacks it across generations. His strategy is simple: break one generation, and weaken the next.

## Identifying Patterns in the Bloodline

Spiritual patterns often hide in plain sight. If you come from a family where...

- Most women never married, or married very late
- Men are known for abandoning families or avoiding commitment
- There's a strong presence of singleness, bitterness, or broken homes
- Marriage never lasts more than a few years
- There are multiple instances of sudden death before weddings
- Children were born outside of wedlock across several generations

...you're likely facing a generational cycle.

This is not about blaming your family. It's about becoming **the one who breaks the curse.**

You are not called to repeat what you were born into. You are called to **rebuild the broken walls** and restore what was lost.

### What Causes These Cycles?

These patterns often originate from **covenants, trauma, or unrepented sin** made by someone in the bloodline. For example:

- A woman whose husband abused her may have vowed, "None of my daughters will marry a man like that." Spiritually, that can translate as a **barrier to all future marriages** in the family.

## *30 Days to Break the Curse of Late Marriage*

- A relative may have sacrificed to an idol or made a deal with a spirit to “protect their lineage.” That sacrifice often comes at a cost—**usually, someone’s destiny.**
- Families that were involved in witchcraft, occultism, or ancestral worship may still have **active demonic altars** demanding sacrifices.

Over time, these cycles become **normal**. They become accepted. You hear people say, “That’s just how our family is,” or “We’re not meant for marriage.” But these words are dangerous because they reinforce the curse.

You are reading this because God wants to interrupt that agreement. **You are the curse breaker.** You are the one God has chosen to flip the script and restore what the enemy stole.

### **Breaking the Power of Family Cycles**

Every demonic pattern has a **root**, and every root can be **uprooted**. The moment you recognize that what you’re experiencing is not natural, but **inherited**, you’ve taken the first step toward deliverance.

This book will guide you in renouncing generational agreements, dismantling spiritual altars, and declaring new prophetic foundations. You will not only break this curse for yourself—but for your future children and their children after them.

### **Journal Prompts**

- What relationship or marriage patterns have I noticed in my family line?

- Are there recurring stories of divorce, abandonment, or singleness?
- Has anyone in my family ever practiced witchcraft, ancestral rituals, or idol worship?
- Have I ever accepted or spoken over myself the belief that marriage may not be for me?

### **Action Step**

Interview one or two trusted family members—parents, grandparents, uncles, or aunts—and ask them about the marital history in your family. Note repeating patterns, delays, or spiritual practices that may have been hidden. Write down what you discover and bring it before God in prayer.

### **Affirmation**

I was not born to repeat cycles—I was born to break them. I do not carry the curse of my ancestors. I carry the calling of a restorer. What delayed others will not delay me. I am the interruption to every demonic pattern. By God's grace, I will marry well and on time.

### **Testimonies**

#### **Stuart – United States**

For years, I saw the same story in my family: relationships that failed just before marriage, fathers who left, and women who raised children alone. I didn't realize I was living in the same pattern until I read one of Bishop Climate's teachings. Through

## *30 Days to Break the Curse of Late Marriage*

deliverance prayers and fasting with the church, I broke those generational chains. Two years later, I married the woman God had shown me in a dream, and we've been blessed ever since.

### **Joanna – United States**

Everyone in my family either married late or not at all. I used to think it was just our "way of life." But after attending a three-day boot camp with Bishop Climate, my eyes were opened. I went through deep deliverance, renounced ancestral covenants, and sowed a prophetic seed. In less than a year, I was engaged to a godly man who loved me with clarity and honor. That cycle ends with me.

### **Real-Life Application**

Breaking generational cycles doesn't just require prayer—it requires **awareness and authority**. As you identify inherited patterns, make a conscious decision to **speak against them daily**. Anoint yourself, your home, and your family with oil. Refuse to accept what your bloodline has normalized. God has given you spiritual authority to declare, "Not in my life. Not in my generation."

Take your place as the watchman of your lineage. Fast, pray, and speak deliverance over yourself. You're not just preparing for a wedding—you're restoring a **legacy**.

### **Scripture & Prayer Focus**

#### **Ezekiel 18:2-3 (NKJV):**

*"What do you mean when you use this proverb concerning the land of Israel, saying: 'The fathers have eaten sour grapes, and*

*the children's teeth are set on edge'? As I live," says the Lord God, "you shall no longer use this proverb in Israel."*

### **Prayer Focus:**

Father, I renounce every inherited pattern of delay, destruction, and disappointment in my family line. I break the power of every generational curse that blocked marriages before me. I declare a new lineage begins with me—a lineage of covenant, fruitfulness, and divine timing. In Jesus' name.

## **12 Prophetic Declarations**

1. I declare I am the curse breaker in my bloodline.
2. Every demonic cycle of delay is broken in my life.
3. What stopped others will not stop me.
4. I uproot every ancestral altar resisting my marriage.
5. I speak restoration over my family's legacy.
6. I will marry right, marry well, and marry on time.
7. Every family spirit of divorce, abandonment, and singleness—scatter by fire!
8. I prophesy a new bloodline of godly marriages begins with me.
9. I walk in divine covering, favor, and visibility.
10. I am delivered from every spoken word and vow made in ignorance.
11. I carry the oil of breakthrough in my generation.
12. I declare that heaven backs my marital destiny.

## **12 Powerful Prayer Points**

1. Lord, expose every ancestral cycle of delay operating in my life.
2. I break every generational curse of late marriage in Jesus' name.
3. Any vow made by my ancestors that hinders covenant—I renounce it now.
4. Let every altar in my bloodline resisting marriage catch fire!
5. I release my name from every spiritual cage of my father's house.
6. I declare I shall not repeat the marital failures of my parents.
7. I uproot the spirit of singleness rooted in my generational past.
8. Blood of Jesus, silence every ancestral voice calling out my destiny.
9. Every token of delay buried in my lineage—be exposed and destroyed!
10. Lord, rewrite my family's story through me.
11. I command divine acceleration in my relationship season.
12. Father, anoint me to rebuild what others let fall.

## **Final Thought**

You are not the victim of your family's past—you are the vessel of its restoration. The enemy may have repeated a cycle for generations, but he won't succeed with you. Why? Because now, **you know**. And knowledge is power. As you confront

these patterns head-on, the blood of Jesus will sever the curse and establish a new foundation.

**This is your season to rise. To reclaim. To redefine what runs in your family. Your legacy starts now.**

## Day 3

### Spirit Spouses — The Unseen Blockers

One of the most destructive, yet least understood, spiritual forces behind the curse of late marriage is the presence of **spirit spouses**—also known as **spirit husbands** or **spirit wives**. These are demonic entities that form **spiritual covenants of marriage** with individuals, often through dreams, bloodlines, rituals, or sexual sin. They claim ownership over a person's romantic or marital destiny and will do anything to **sabotage real-life relationships** that threaten their hold.

What makes spirit spouses so dangerous is their stealth. They operate in darkness, often disguised in seductive dreams or strange patterns of relational dysfunction. Many people have no idea that they are in a spiritual covenant with a demon—until the signs become too overwhelming to ignore.

And here's the terrifying truth: **spirit spouses don't just block marriages—they ruin them.**

## What Are Spirit Spouses?

Spirit spouses are demonic beings from the marine kingdom and other occult realms that **claim spiritual rights to a person as a spouse**. These rights are usually established through:

- **Sexual dreams or encounters** in the spirit realm
- **Childhood molestation or abuse**
- **Sex outside of marriage** (especially with partners who are demonically entangled)
- **Ancestral rituals, dedications, or witchcraft**
- **Dreams of weddings, rings, or wearing bridal garments**
- **Pornography, masturbation, or lustful soul ties**

Once the covenant is in place, the spirit spouse fights to maintain dominance—by introducing delay, rejection, confusion, and even infertility in real relationships.

## Signs You're Dealing with a Spirit Spouse

- **Recurring sexual dreams or dreams of being married to a stranger**
- **Nightmares, sleep paralysis, or waking up with a sense of being touched**
- **Frequent relational breakdowns after spiritual progress**
- **Sudden emotional shifts or unexplained rage in relationships**

- **Inability to commit or irrational fear of marriage**
- **Strange opposition to anyone showing romantic interest**
- **Feeling spiritually “taken” or “bound” with no natural explanation**

These entities are extremely possessive. They may even **manipulate your emotions** so that no one feels “good enough.” They isolate, confuse, and bind. And the longer they remain unchallenged, the more damage they cause—not just to your romantic life, but to your peace, your sleep, and your self-worth.

### **The Covenant Must Be Broken**

The only way to overcome a spirit spouse is to **break the covenant** that gave it legal access. This is not a light prayer or casual confession—it requires deliberate, prophetic action. Renunciation, fasting, deliverance, and aggressive spiritual warfare are essential. But here’s the good news: **every demon has a name—and every name must bow to the name of Jesus.**

As you go through this chapter, you will be led in prayers and prophetic declarations that break every soul tie, spiritual marriage, and invisible covenant that is blocking your relationship season.

### **Journal Prompts**

- Have I had any recurring dreams of weddings, intimacy, or unknown spouses?

- Are there moments when I feel married in the spirit but alone in the physical?
- Have I been through cycles of sudden disinterest or irrational fear when relationships get serious?
- Can I trace any sexual sin, trauma, or spiritual exposure that could have opened the door?

### **Action Step**

Write out any dreams, sexual experiences, or emotional events that may have initiated this covenant—especially those that occurred before repeated patterns of delay began. Then, write a *Renunciation Declaration* in your own words, cancelling every known and unknown agreement with any spirit spouse. You'll use this during your prayer session today.

### **Affirmation**

I do not belong to the kingdom of darkness. I am not married to any demonic spirit. I am the Bride of Christ, and my body, soul, and spirit are owned by God. I renounce every spiritual marriage. I declare I am free. I am whole. I am ready for the covenant God ordained for me.

### **Testimonies**

#### **Elias – United States**

I used to have dreams of a woman lying beside me every night. I thought it was stress. But it always left me tired, irritable, and withdrawn from the woman I was dating. Every relationship I

had would fail just before engagement. I heard Bishop Climate preach about spirit spouses and suddenly, everything made sense. After going through his deliverance prayers and anointing oil service, the dreams stopped. Three months later, I reconnected with someone I had pushed away. We are now happily married.

### **Beverly – United States**

I constantly had dreams of a man holding my hand, kissing me, and sometimes arguing with any man I dated. My relationships would end without reason. I once got engaged, and days later, the man left me with no explanation. Bishop Climate taught me how to renounce spirit marriages and anoint my bed. The first night I did it, I had a deliverance dream where the man screamed and disappeared. Since then, my peace has returned, and God is aligning me for real love.

### **Real-Life Application**

You can't defeat what you don't confront. If you suspect a spirit spouse has been operating in your life, don't ignore it. Take action. Use anointing oil to consecrate your body, your bedroom, and your home. Declare war in your prayer life. Fast. Reject compromise. Cancel every legal ground in your life that may have opened this door. Use your authority. The enemy does not let go until you force him to.

## **Scripture & Prayer Focus**

### **Isaiah 54:5 (KJV):**

“For thy Maker is thine husband; the Lord of hosts is his name; and thy Redeemer the Holy One of Israel; The God of the whole earth shall he be called.”

### **Prayer Focus:**

Lord Jesus, You are the only one who has a right to covenant with my life. I repent for every sin, exposure, or connection that has opened the door to spirit spouses. I renounce every spiritual marriage, soul tie, and demonic claim over my life. Let fire fall from heaven and consume every demonic altar and covenant. Set me free, in Jesus' name.

## **12 Prophetic Declarations**

1. I declare I am not married to any demonic spirit.
2. I break every soul tie and spiritual covenant working against my relationships.
3. I command every spirit spouse to leave my life by fire!
4. My body and my soul are consecrated to the Lord.
5. I break the chain of spiritual manipulation in my emotions.
6. No more dreams of spiritual marriage, rings, or seduction!
7. I command my atmosphere to be cleared by Holy Ghost fire.
8. I am visible to the one God has ordained for me.
9. Every demonic assignment against my love life is canceled.

### *30 Days to Break the Curse of Late Marriage*

- 10. I walk in purity, clarity, and freedom.
- 11. The spirit of delay is broken off my destiny.
- 12. I declare: I shall marry well, marry right, and marry in peace.

## **12 Powerful Prayer Points**

- 1. Father, expose every spirit spouse working against my destiny.
- 2. I renounce every spiritual marriage I entered knowingly or unknowingly.
- 3. Let the blood of Jesus cancel every soul tie and covenant!
- 4. I cast out every demonic spirit claiming ownership of my life.
- 5. I destroy every altar where my name or image has been placed.
- 6. Every spiritual wedding ceremony done in the spirit—I reverse it now!
- 7. I cleanse my body, soul, and dreams with the fire of the Holy Ghost.
- 8. Every ring, garment, or token of demonic marriage—burn by fire!
- 9. I withdraw my destiny from the marine kingdom in Jesus' name.
- 10. Lord, cover my sleep and dreams with divine protection.
- 11. I call forth my God-ordained spouse to locate me now.
- 12. Spirit spouse, I divorce you by fire! Never return—in Jesus' name.

## **Final Thought**

Spirit spouses are thieves of destiny, but you don't have to be their victim. Today, you've exposed their strategy, broken their legal rights, and reclaimed your relationship season. Don't stop here. Keep praying. Keep declaring. Keep anointing. Your freedom is not just for you—it's for your legacy.

**You are not bound. You are not owned. You are free. And your real covenant is on its way.**

## Day 4

### Word Curses, Vows, and Agreements

Words are never empty. They are spiritual instruments—tools that can build your destiny or bury it. Many people battling late marriage are not only victims of demonic opposition or ancestral patterns—they are victims of their **own words**.

What you speak—especially under intense emotional pressure—becomes a **spiritual agreement**. When spoken repeatedly or spoken from the depth of pain, anger, bitterness, fear, or betrayal, your words can form **invisible contracts** in the realm of the spirit. And once those words are spoken, the enemy uses them as legal grounds to enforce delay, sabotage, and disappointment.

Let that sink in: **You may be fighting battles your own mouth created.**

#### **What Are Word Curses?**

Word curses are **negative declarations** spoken over your life—either by you, others, or authority figures. These words, if

not immediately rejected or broken, can take root and shape the atmosphere of your future.

Examples include:

- “I’ll never trust another man again.”
- “All women are dangerous.”
- “Marriage is a trap.”
- “I’m better off alone.”
- “My parents were miserable—I’ll never go through that.”
- “No one wants someone like me.”
- “Maybe I’m not meant to be married.”

Some of these statements may have felt like emotional reactions. But in the spirit realm, they became **vows**—legally binding declarations that alter your path. Even if you later change your mind, the vow still stands **until it is broken**.

### **The Power of Inner Vows**

Inner vows are silent decisions you make with your heart. They often come after traumatic experiences—betrayal, abuse, neglect, heartbreak. These are not just thoughts. They are **spiritual fences** you build around your future, believing you’re protecting yourself. But what you’re actually doing is blocking God.

Common inner vows include:

- “I’ll never let anyone get close to me again.”
- “I’ll never be like my mother/father.”
- “I’ll never allow myself to be vulnerable again.”
- “I don’t need anyone—I can do life alone.”

### *30 Days to Break the Curse of Late Marriage*

On the surface, these sound like independence. But in the spirit, they're signals of **unresolved pain and spiritual resistance**.

God cannot send covenant partners into hearts already sealed shut by inner vows.

#### **Breaking the Agreements**

The good news is this: **what you declared can be broken**. The moment you recognize your words were out of alignment with God's will for your life, you can **repent, renounce, and reverse them**.

But it doesn't stop there. You must then speak new declarations—words that align with the future you desire. You must learn to prophesy over your own destiny until the atmosphere shifts.

Every word you cancel in this season becomes a door you reopen in your future.

#### **Journal Prompts**

- What are some statements I've made in frustration, fear, or heartbreak regarding relationships or marriage?
- Did I ever make a personal vow to stay single or avoid marriage?
- What words were spoken over me in childhood by parents, teachers, or partners that still linger?
- Have I ever wished to be invisible or alone, even if just for protection?

## Action Step

List every negative word, vow, or statement you've spoken or received. Include words from family, friends, and authority figures. Write beside each one the opposite of that curse. For example:

**Cursed word:** "I'll never get married."

**Corrected truth:** "I am a joyful bride/groom ordained for covenant marriage."

Once you're finished, tear up or burn the original list as a prophetic act of breaking those words.

## Affirmation

I cancel every word curse and inner vow that I've spoken or received. I reject fear, shame, and doubt. I open my heart to divine alignment, healthy love, and covenant partnership. I declare that my future is no longer bound by my past.

## Testimonies

### Cedric – Brazil

I always told people, "I don't believe in marriage." I thought I was being smart. But I didn't realize I was cursing my own future. After reading one of Bishop Climate's teachings, I realized how much of my delay was tied to my own mouth. I went through a 3-day fast, repented, and began speaking God's promises. Within six months, I met the woman I married. My words changed. My life followed.

## **Phoebe – Brazil**

I was engaged twice and both ended in betrayal. After the second one, I told myself, “I’m done. Marriage isn’t for me.” I didn’t realize I had made a vow. I found Bishop Climate’s ministry and went through his late marriage deliverance prayers. I broke the vow and burned the list of all the curses I had spoken. God brought healing into my heart. One year later, I met someone in church. I’m now happily married and free.

### **Real-Life Application**

Monitor your mouth like your future depends on it—because it does. Speak life, not fear. Even when you’re hurting, be careful what you declare. And just as important, be quick to cancel any harmful word you may have already spoken. Use the Word of God as your verbal shield. If you accidentally slip up, stop and declare, “I cancel that in Jesus’ name.”

What you say in frustration can bind your future in limitation—unless you break it in revelation.

### **Scripture & Prayer Focus**

#### **Proverbs 18:21 (NKJV):**

“Death and life are in the power of the tongue, and those who love it will eat its fruit.”

#### **Prayer Focus:**

Father, I repent for every word I’ve spoken that contradicted Your will for my life. I renounce every inner vow, curse, and agreement

I made in fear, pain, or ignorance. Let the blood of Jesus cancel every evil declaration and restore my destiny. I declare that my mouth will no longer curse what You have blessed.

## **12 Prophetic Declarations**

1. I decree that every word curse over my life is null and void.
2. I declare I am free from inner vows made in fear.
3. I speak life, favor, and covenant into my future.
4. No more delay, sabotage, or self-imposed barriers!
5. I am qualified for love, chosen for marriage, and prepared for covenant.
6. I cancel every word that said I would be alone or abandoned.
7. My destiny is not bound by my past pain.
8. I reverse every negative agreement I made with my own voice.
9. I prophesy alignment, attraction, and divine connection.
10. My relationships shall no longer be sabotaged by invisible words.
11. I walk under an open heaven of grace and favor.
12. I declare: I shall marry well and on time, in Jesus' name.

## **12 Powerful Prayer Points**

1. Lord, expose every word curse operating over my destiny.

### *30 Days to Break the Curse of Late Marriage*

2. I break the power of every negative word I've spoken about myself.
3. I cancel every vow, pledge, or inner agreement I made in fear or pain.
4. Let the fire of God consume every demonic contract made by my tongue.
5. I uproot every tree of delay planted by my own words.
6. I reverse every declaration of rejection, loneliness, or failure.
7. Lord, align my language with Your promises.
8. I silence every voice—spoken by others or by me—that hinders marriage.

10. Every word spoken by parents or leaders that cursed me—I break it now.
11. I declare my mind and mouth are now aligned with covenant.
12. I speak peace, wholeness, and acceleration over my relationship season.

### **Final Thought**

Sometimes, the greatest enemy of your future is the echo of your own voice from the past. But that ends now. You have the power to revoke every curse and reverse every vow. Speak life—daily, boldly, unapologetically. Your voice will either bless or bind your destiny.

**Today, choose to bless it. Your marriage is waiting. So speak like it's on the way.**

## Day 5

### Witchcraft & Jealousy Altars

It's painful to admit, but some of the most powerful attacks against your marital destiny don't always come from strangers or the devil alone—they often come from those closest to you: **jealous friends, bitter relatives, and secret saboteurs.**

In many cultures and families, witchcraft is used—not just by enemies—but by **jealous friends, controlling relatives, and even religious people** who can't stand to see you rise above them. They may smile in your face, but inwardly resent your potential. These individuals raise **demonic altars** and speak curses—sometimes openly, other times through spells or rituals—aimed directly at your love life.

And if those altars are not destroyed, they become **gates of delay, confusion, sabotage, and perpetual singleness.**

## **What Are Jealousy Altars?**

Altars are spiritual platforms where sacrifices are made and covenants are established. In the Bible, altars were built to invoke God's presence. But in the realm of darkness, **altars are raised to invite demonic spirits to block, delay, or destroy.**

When someone, out of jealousy, bitterness, or hatred, **goes to a witch doctor, a spiritualist, or even just speaks consistent evil over you**, they are raising an altar in the realm of the spirit. These altars then begin to:

- **Confuse your relationships**
- **Block divine connections**
- **Cause rejection, strange misunderstandings, or breakups**
- **Plant fear, doubt, or sexual temptation**
- **Release monitoring spirits** that follow you to sabotage divine opportunities

Some of these attacks are very subtle. You may feel “off” in the presence of a certain friend. Or you may notice that every time you're close to a breakthrough, someone from your past starts calling, stirring confusion. That's not random. That's warfare.

## **Common Signs You're Under Attack from Witchcraft or Jealousy Altars**

- You suddenly feel unattractive, confused, or fearful in a relationship
- Engagements are broken without warning or cause
- You find yourself forgetting important meetings or behaving irrationally in love

- You feel watched, stalked, or overly monitored in the spirit
- You keep seeing strange animals (especially snakes, spiders, cats) in dreams
- There's a history of jealousy or sabotage in your circle
- You feel like you're being fought by an invisible force whenever you get close to marriage

Witchcraft is real. It is ancient. But it is also **defeatable**.

The power of the blood of Jesus is greater than any altar, charm, spell, or curse. But it must be activated through **intentional, targeted prayer and spiritual warfare**.

### **Destroying Jealousy Altars and Witchcraft Assignments**

When you confront witchcraft, you must do so **boldly**. You don't beg witchcraft to let you go—you **command it to bow**. You don't ignore jealousy—you cut it off with spiritual fire.

Your first step is to **repent of any bitterness or hatred in your own heart** (so the enemy has no legal ground). Then, you begin to:

- **Destroy every altar** raised with your name, photo, or clothing
- **Cancel every monitoring spirit**
- **Disconnect from every jealous connection**
- **Speak against every curse and reverse every spell**
- **Sow a prophetic seed or anoint your surroundings for cleansing and favor**

You cannot afford to be passive. **Jealousy has a voice—and you must silence it.**

### **Journal Prompts**

- Have I experienced sudden attacks or sabotage in my relationships without natural cause?
- Are there people in my life who smile in public but attack or speak evil in secret?
- Have I had dreams of being chased, strangled, bitten, or manipulated by familiar faces?
- Are there family members or former friends who have openly wished me ill or said I'd never get married?

### **Action Step**

Pray specifically against jealousy altars. Write down the names of people who have hurt or betrayed you in the area of relationships. Forgive them, release them, and then **declare freedom from every word, spell, or altar** raised against your life. Anoint your photo, your bed, your phone, and your hands. Declare: **“No altar raised against me shall stand!”**

### **Affirmation**

I am not under the control of any jealous person. I am not bound to any altar of witchcraft. My destiny is not in the hands of witches, spiritualists, or bitter souls. I am hidden in Christ. Every altar raised against me is turning to ashes. I walk in favor, fruitfulness, and divine covering.

## Testimonies

### Kelvin – Malaysia

Every time I told a close friend about someone I was dating, it would fall apart. I began to see patterns of betrayal and strange breakups. After listening to Bishop Climate's teaching on jealousy altars, I realized this friend was sabotaging my relationships through witchcraft. I cut off the friendship, went through 7 days of fasting and deliverance, and sowed a seed. A year later, I met my wife. We are now expecting our first child.

### Nina – Malaysia

My aunt told me at 16 that I would “never marry because I’m too proud.” I thought it was just a joke. But no matter what I did, I faced rejection, embarrassment, and strange delays in love. I joined Bishop Climate's online conference, and he mentioned jealousy from family. I broke the word curse, fasted, and did the anointing oil ritual. Within months, everything changed. A long-lost connection reached out, and we are now engaged. The curse is broken!

## Real-Life Application

Don't play games with jealousy. The Bible says, “Jealousy is as cruel as the grave.” If someone in your circle is constantly competing, belittling, or speaking against your relationships, **cut them off**. Protect your spirit. Fast weekly, use consecrated oil, and avoid oversharing your personal relationship progress with people who aren't spiritually aligned.

Be strategic, not emotional. You're not called to please everyone—you're called to **protect your destiny**.

## **Scripture & Prayer Focus**

### **Isaiah 54:17 (KJV):**

“No weapon that is formed against thee shall prosper; and every tongue that shall rise against thee in judgment thou shalt condemn.”

### **Prayer Focus:**

Father, I cancel every demonic altar raised against my marital destiny. I reverse every curse, hex, charm, and word of envy spoken against me. Let fire consume every monitoring spirit and jealous eye assigned to destroy my joy. I declare that no weapon formed against me shall prosper—and every jealous tongue is silenced forever.

## **12 Prophetic Declarations**

1. Every altar of jealousy fighting my marriage is destroyed.
2. I walk in divine protection and visibility.
3. I am untouchable to every witchcraft assignment.
4. No curse, spell, or monitoring spirit can delay my destiny.
5. I declare I am covered by the blood of Jesus.
6. Every envious voice is silenced in Jesus' name.
7. I carry divine favor that no enemy can cancel.
8. I walk in love, clarity, and spiritual discernment.
9. Every jealous connection is cut off permanently.
10. The fire of God surrounds my relationship season.
11. No altar raised against me shall succeed.
12. I decree: I am moving forward into my marital breakthrough.

## 12 Powerful Prayer Points

1. Lord, expose every jealous person working against my joy.
2. I break every altar of witchcraft raised in secret or in public.
3. Let the fire of God consume every monitoring spirit now!
4. I disconnect from every friend or family member with a jealous heart.
5. I break the power of curses spoken by relatives or friends.
6. I reverse every delay caused by witchcraft manipulation.
7. Lord, I anoint my life with favor and divine attraction.
8. Every animal, object, or token used against me—burn by fire!
9. I command every hidden spell to be exposed and destroyed.
10. Let divine angels fight on my behalf and protect my promise.
11. I reject every relationship curse placed on me in jealousy.
12. I declare I will marry with joy, peace, and unstoppable favor.

## Final Thought

Jealousy is a silent killer. But you are no longer ignorant of its devices. You've exposed it. You've renounced it. You've destroyed every altar fighting your joy. Now walk in confidence, knowing that **God is fighting for you.**

**Your destiny is not in their mouth. It's in God's hands. And He has already declared—no altar, no curse, no witch can stop what He ordained for you.**

## Day 6

### Ungodly Soul Ties and Emotional Baggage

You can walk away from a relationship—but if the soul is still tied, **you're not really free.**

Many people think they've moved on from the past, but they're still spiritually and emotionally connected to people who no longer belong in their lives. These invisible threads are called **soul ties**—and when they are ungodly, they become spiritual chains that delay, destroy, and contaminate your future.

A soul tie is a **spiritual and emotional bond** formed between two people, often through physical intimacy, emotional dependency, manipulation, or trauma. While soul ties can be godly (like David and Jonathan), ungodly soul ties form when relationships step outside of God's design—through fornication, manipulation, soul-level promises, or toxic emotional exchanges.

Until these ties are broken, they act as **spiritual interference** in your life—hindering your ability to bond with the right

person and **giving spiritual rights to the wrong people.**

### **What Are Ungodly Soul Ties?**

Ungodly soul ties are formed in many ways:

- **Sexual intimacy outside of marriage**
- **Over-investment in emotionally toxic relationships**
- **Spoken vows like “I’ll never love anyone else”**
- **Emotional abuse that creates spiritual dependency**
- **Prolonged cohabitation or shared trauma**
- **Manipulative “soulmate” relationships**
- **Soul attachments to exes or people from past relationships**

You may have physically separated, but the soul is still joined.

That’s why even years after a breakup, people still:

- Think obsessively about an ex
- Dream about former lovers
- Feel guilt, shame, or emotional confusion
- Struggle to connect emotionally with new partners
- Attract people with the same toxic traits
- Feel spiritually “owned” by someone who is no longer present

These aren’t just memories—they’re soul ties. And if not broken, they can become a **spiritual chain** wrapped around your destiny.

## **Emotional Baggage Is the Weight That Delays You**

In addition to soul ties, many carry **emotional baggage**—wounds from the past that were never processed or healed.

This baggage includes:

- Betrayal and broken trust
- Guilt over sexual mistakes
- Fear of rejection or abandonment
- Anger or resentment toward a past partner
- Shame from past abuse or heartbreak

You can't enter a new relationship fully if your soul is still stuck in the last one. Marriage requires space. Covenant requires wholeness. If you're full of yesterday, **there's no room for tomorrow.**

## **Severing Soul Ties and Releasing Baggage**

The good news is: **soul ties can be broken.** But it requires more than just emotional willpower—it demands **spiritual warfare**, intentional renunciation, and healing through the Holy Spirit.

Here's the process:

1. **Identify** the people or moments that still carry emotional power over you
2. **Repent** of any sexual sin, emotional dependency, or manipulation
3. **Renounce** any vow, memory, or attachment made with that person
4. **Command** the soul tie to break in the name of Jesus
5. **Cleanse** your space—photos, gifts, letters, or objects that tether your soul

### *30 Days to Break the Curse of Late Marriage*

6. **Anoint** your mind, heart, and bed with consecrated oil
7. **Declare** freedom over your emotions, dreams, and desires
8. **Replace** old memories with the truth of who God says you are

### **Journal Prompts**

- Who from my past still holds emotional or spiritual power over me?
- Have I ever spoken vows or fantasies that kept my soul tied to someone?
- What emotional wounds am I still carrying from previous relationships?
- Do I feel guilt, shame, or fear when I think about love or marriage?

### **Action Step**

Write the names of every past relationship, soul tie, or emotional wound that you feel still affects your present. One by one, verbally renounce those soul ties and command every spiritual attachment to be broken. If you still have photos, gifts, or contact information that stirs pain or temptation, destroy or delete them. **Don't hold on to what's holding you back.**

## **Affirmation**

I am not tied to my past. I am not defined by old wounds or emotional chains. Every ungodly soul tie is broken. Every emotional wound is healed. I am whole. I am free. I am ready for covenant love, healthy partnership, and divine connection.

## **Testimonies**

### **Harlan – United Kingdom**

For years I couldn't explain why I kept attracting the same kind of emotionally toxic partners. I kept dreaming about an ex and felt like I was always one step away from commitment. After reading Bishop Climate's teaching on soul ties, I realized I had never broken ties with my past. I followed the renunciation process, fasted for 3 days, and burned every letter and photo. Peace came instantly. A few months later, I met the woman I'm now building a life with.

### **Vanessa – United Kingdom**

I was sexually involved with someone I thought I'd marry. When it ended, I couldn't let go. I tried dating again, but every relationship ended in confusion. During a prophetic boot camp with Bishop Climate, I cried as I realized how entangled my soul was. I went through the soul tie prayers and deliverance. I felt something break off me that night. The next month, I had a dream of a ring on my hand—and now, I'm engaged to someone who honors God and honors me.

## **Real-Life Application**

Many people pray for a new relationship while still soul-tied to the old. If you've never fully cleansed your heart and mind from previous lovers, you might be unknowingly sabotaging your future. Wholeness is not automatic—it must be pursued. Use anointing oil on your pillow, your heart, your phone. Cut the soul cord. Don't revisit old wounds. Don't check their social media. Don't keep "just-in-case" messages.

**Sever the soul. Set yourself free.**

## **Scripture & Prayer Focus**

**Psalms 147:3 (NIV):**

"He heals the brokenhearted and binds up their wounds."

### **Prayer Focus:**

Father, I renounce every ungodly soul tie in my life—known and unknown. I repent for any sexual sin, emotional dependency, and spoken vows that bonded me to the wrong people. I release every past relationship, every emotional wound, and every false covenant. Heal my heart. Cleanse my soul. Break every invisible chain—and prepare me for the love You've ordained.

## **12 Prophetic Declarations**

1. I declare every ungodly soul tie in my life is broken.
2. I am not emotionally chained to anyone from my past.
3. I sever the cords of confusion, guilt, and shame.

4. I walk in emotional wholeness and spiritual purity.
5. I renounce every spoken vow that bound my heart to the wrong people.
6. I am no longer manipulated by memories or fantasies.
7. My soul is free from every toxic connection.
8. I am available for divine love and healthy relationships.
9. I recover every part of me that was fragmented in the past.
10. My heart is protected and healed by the Holy Spirit.
11. I walk in newness of mind and clarity of spirit.
12. I declare: My past is behind me, and my covenant future is in motion.

## **12 Powerful Prayer Points**

1. Father, reveal every ungodly soul tie still operating in my life.
2. I break every emotional and spiritual attachment to past lovers.
3. Let the fire of God consume every soul cord and covenant not from You.
4. I repent for every ungodly relationship that wounded my soul.
5. I command every soul fragment to return and be made whole.
6. I uproot every memory, trauma, and emotion tied to my past.
7. Let every sexual and emotional residue be purged by Your blood.
8. I declare my dreams are no longer tied to past relationships.

### *30 Days to Break the Curse of Late Marriage*

9. I speak healing over my mind, heart, and emotions.
10. I declare I am no longer defined by what I went through.
11. Every demonic gate opened through soul ties—be shut now!
12. Lord, prepare my heart for covenant love, and lead me into divine partnership.

### **Final Thought**

Soul ties and emotional wounds are not small matters—they're spiritual traps dressed in emotional clothing. But today, you've faced them. You've exposed what was hidden. You've severed what was silently choking your future. Now, your heart has room. Your soul is unchained.

**Your past no longer owns you—and your future just became possible.**

## Day 7

### Deliverance Dreams and Demonic Patterns

God often speaks in dreams—but so does the enemy.

While many dismiss dreams as meaningless, the spiritual realm is never silent. **Dreams are gateways**, and what happens in your sleep can impact your waking life—especially when it comes to relationships and marriage.

You may be fasting, praying, and positioning yourself for marriage, but if your dreams are filled with **rejection, failure, broken weddings, or sexual encounters**, you must pay attention. These are not just subconscious fears. They are **spiritual indicators** that something deeper is at work—a **demonic pattern** trying to block your destiny.

Until you discern and break these dream cycles, you may unknowingly walk under spiritual resistance even while pursuing natural solutions.

## **The Language of Dreams**

Dreams can be:

- **Prophetic** – messages or warnings from God
- **Soulish** – reflecting your emotional state or desires
- **Demonic** – manipulations by dark powers to bind, seduce, or delay

Demonic dreams often contain **repetitive themes**—symbols that reveal the agenda of the enemy. These patterns are **legal spiritual operations**, not just nightmares.

### **Common Demonic Dreams Related to Late Marriage**

1. **Sexual Dreams** – indicate spirit spouses or soul ties
2. **Weddings That Collapse or Never Finish** – demonic sabotage and delay
3. **Rejection or Being Left at the Altar** – patterns of abandonment and betrayal
4. **Rings Being Taken or Lost** – lost covenants or blocked engagements
5. **Dirty Water, Floods, or Marine Creatures** – marine spirits and spiritual contamination
6. **Snakes, Spiders, or Shadows Watching You** – monitoring spirits
7. **Eating in Dreams** – spiritual manipulation, control, and bewitchment
8. **Seeing an Ex Repeatedly** – soul tie still active
9. **Being Chased or Attacked Before a Wedding** – witchcraft trying to abort breakthrough

## 10. **Marriage to Unknown Persons in Dreams** – spiritual covenant blocking real relationships

These dreams are not just random. They are **spiritual transactions**—some occurring from past trauma, witchcraft altars, or soul-level agreements. And unless confronted, they create a loop of **disappointment, frustration, and failure**.

### **Why the Enemy Attacks in Dreams**

Dreams are your most vulnerable state. It's when the **soul is resting**, the **spirit is active**, and your **natural guard is lowered**. This is why deliverance in the dream realm is so crucial—because many battles are **lost or won while you sleep**.

If you ignore dream warnings, you're giving the enemy a free pass to operate undetected. But once you recognize the pattern, **you can reverse it through deliverance, prayer, and prophetic action**.

### **Journal Prompts**

- What dreams have I repeatedly had regarding relationships, rejection, or weddings?
- Have I experienced sexual dreams, wedding dreams, or consistent rejection in my sleep?
- Are there symbols or people that show up repeatedly in negative dream scenarios?
- What patterns in real life mirror the patterns in my dreams?

## **Action Step**

Write out your most recent or most recurring dreams involving love, marriage, or fear. Compare them to the list above. Ask the Holy Spirit to expose the root. Then, pray to **break every covenant, cancel every attack, and reverse every manipulation**. Anoint your pillow, bed, and head. Play worship or Scripture at night to shift your atmosphere.

## **Affirmation**

My dreams are protected by the blood of Jesus. I reject every demonic visitation, spiritual manipulation, and false covenant made in the night. My sleep shall be peaceful, prophetic, and pure. I walk in freedom—both in my waking hours and in my dreams.

## **Testimonies**

### **Quincy – Canada**

For years I had dreams of being rejected at the altar or losing the engagement ring. I never paid attention until I realized every relationship I had ended suddenly. After joining Bishop Climate's dream interpretation session, everything made sense. I began midnight prayers, anointed my bed, and prayed against spiritual sabotage. The dreams changed. And so did my relationships. I'm now engaged to a woman who came into my life with divine clarity.

### **Grace – Canada**

I kept dreaming of sexual encounters with an unknown man and would wake up exhausted and confused. I tried to fast, but

nothing changed until I connected with Bishop Climate's ministry. I followed the dream warfare prayers and repented for soul ties. One night, I saw the spirit spouse flee in a dream—and it never returned. My clarity returned, and now I'm building a healthy relationship without spiritual fog.

## **Real-Life Application**

Your dream life is a spiritual battleground. Pay attention to what you see and feel while sleeping. Don't dismiss warnings or repeated patterns. Keep a dream journal. Test everything by Scripture. If a dream seems dark, seductive, fearful, or manipulative—it's not from God.

Here are some practices to adopt:

- Sleep with worship or Scripture playing
- Anoint your pillow and head with consecrated oil
- Declare dream protection before bed
- Cancel demonic dreams immediately upon waking
- Use dream revelations as strategic prayer guides

**Don't ignore the signs. Your dreams are telling you what your soul needs deliverance from.**

## **Scripture & Prayer Focus**

### **Job 33:15–17 (NIV):**

“In a dream, in a vision of the night, when deep sleep falls on people as they slumber in their beds, He may speak in their ears and terrify them with warnings, to turn them from wrongdoing and keep them from pride.”

### **Prayer Focus:**

Lord, cleanse my dream life. Cancel every demonic covenant, visitation, and manipulation that has taken place in my sleep. Let every spiritual marriage, rejection, or sabotage be reversed. I reclaim my peace. I sanctify my night hours. From now on, my dreams will align with heaven.

### **12 Prophetic Declarations**

1. I declare my dreams are holy, prophetic, and protected.
2. Every spirit of rejection operating in my dreams is cast out.
3. I break every demonic marriage made in my sleep.
4. I cancel every spiritual transaction done in the night.
5. My dream life shall no longer be a portal for manipulation.
6. I recover every blessing stolen from me in the night.
7. I command peace and clarity over my soul as I sleep.
8. I rebuke every cycle of dream-based rejection and failure.
9. I shall no longer dream of bondage, failure, or seduction.
10. My dreams shall confirm, not confuse.
11. I will remember my dreams and discern their meaning.
12. I declare: I am delivered, even in my sleep.

## **12 Powerful Prayer Points**

1. Father, expose every spiritual pattern hidden in my dreams.
2. I break every marriage, agreement, and tie formed in the night.
3. Let the blood of Jesus erase every demonic imprint on my dreams.
4. I cancel every spiritual wedding, ring, or covenant in Jesus' name.
5. I command every spirit spouse to be bound and cast out.
6. Every rejection dream that manifested in real life—I reverse it now.
7. I cleanse my dream atmosphere with the fire of the Holy Ghost.
8. I reject every sexual or seductive encounter in my sleep.
9. Lord, reveal the origin of every recurring dream and give me wisdom.
10. I sanctify my bed, pillow, and sleep with the anointing of God.
11. My dreams will no longer serve darkness—they will serve destiny.
12. I declare: No demonic pattern shall delay my marriage any longer.

## **Final Thought**

What the enemy tried to sow in your dreams, God is now burning with fire. You are no longer vulnerable to night attacks.

*30 Days to Break the Curse of Late Marriage*

You've been awakened. You've been armed. And from this point forward—your dreams will serve your destiny, not destroy it.

**Sleep in peace. Dream with purpose. The warfare is ending—and breakthrough is beginning.**

## Day 8

### Renouncing Every Evil Covenant

Every curse has a contract. Every delay has a legal right. And every spiritual marriage or ancestral bondage has a root agreement that must be **renounced**.

Until you cancel the evil covenants attached to your life, **your prayers will only scratch the surface**. You may fast. You may cry. You may serve God with your whole heart. But if the enemy still holds a **legal document**—a covenant made by you, your parents, or your ancestors—he will use it to enforce delay, sabotage, and denial.

Deliverance is not emotional. It is legal. And today, we go to court.

#### **What Is a Covenant?**

A covenant is a spiritual agreement between two parties that grants certain rights, protections, or penalties. In biblical terms, covenants were often sealed with **blood, vows, rituals, or sacrifices**. They were generational and enforceable—and so are **evil covenants**.

The enemy doesn't need your permission if he already has your **bloodline's cooperation**.

Whether you made the covenant knowingly or inherited it unknowingly, the legal access point must be revoked through deliberate, spoken renunciation.

### **Common Types of Evil Covenants That Cause Marital Delay:**

#### **1. Ancestral Covenants**

- Agreements made by forefathers with demons, idols, or marine spirits for protection, wealth, or fertility.

#### **2. Covenants of Dedication**

- Parents or grandparents dedicating children to shrines, altars, or ancestral spirits.

#### **3. Covenants of Sexual Sin**

- Sexual activity outside of marriage that opens the door to spirit spouses and soul-level contracts.

#### **4. Covenants of Bitterness or Inner Vows**

- Declaring vows in pain such as "I'll never marry" or "I don't need anyone."

#### **5. Covenants Made in Witchcraft**

- Friendships, partnerships, or love spells initiated through occult means—even if "harmless."

#### **6. Inherited Witchcraft Initiations**

- Being born into families where rituals were done for protection, blessings, or marriage—often without your consent.

Many people struggling with chronic relationship failure, engagement breakdown, or prolonged singleness are under one

or more of these covenants. And no amount of human effort can overcome a **spiritual contract** still in force.

## **The Power of Renunciation**

Renunciation is a **legal severing** of spiritual contracts. It is more than confession—it is a **bold verbal declaration** that cancels the power and access of the enemy. When you renounce a covenant, you are saying:

“I no longer agree. I break the terms. I nullify the effects. I close the door forever.”

This is a violent act in the spirit. The enemy thrives on silence, shame, and ignorance. But once you open your mouth, backed by the blood of Jesus, the contract is destroyed. From that moment, what held you begins to loosen its grip.

## **Journal Prompts**

- Have I been dedicated to any spiritual practices, rituals, or altars as a child?
- Did my family ever seek spiritual help from shrines, witchdoctors, or occult practices?
- Have I ever made emotional or sexual vows in moments of pain or rebellion?
- Have I knowingly or unknowingly participated in spiritual activities that could form a covenant?

## **Action Step**

Write a **Renunciation Declaration** today. Include every known or suspected covenant, including ancestral dedications,

## *30 Days to Break the Curse of Late Marriage*

spiritual marriages, sexual sin, inner vows, and occult involvement. Speak this declaration out loud and with authority. Burn it as a prophetic act. Then anoint your body and atmosphere. Say:

**“I renounce every evil covenant. I close the door. I cancel the legal right. I walk free!”**

### **Affirmation**

Every covenant made on my behalf that contradicts God’s will is broken. I am not bound by the agreements of my ancestors. I am not married to demons. I am not under any curse. I am in covenant with Jesus Christ—and His blood speaks better things over my life.

### **Testimonies**

#### **Wade – Philippines**

I found out my great-grandfather was a high priest who used to dedicate all the male children in our family to a water spirit. Every man in our lineage either remained unmarried or divorced early. After attending Bishop Climate’s boot camp, I repented, renounced the covenant, and sowed a seed of release. Within a year, I met my wife through a divine connection—and we’re now married with peace and purpose.

#### **Zara – Philippines**

I didn’t know why I kept having dreams of being married to a strange man. My mother confessed that I had been taken to a witchdoctor as a baby to “protect” my future. I wept. I joined Bishop Climate’s deliverance program, fasted for 7 days, and

broke every generational vow. Since then, no more spirit spouse dreams—and I’m now building a beautiful relationship that honors God.

### **Real-Life Application**

This chapter is your **divine court case**. Treat it seriously. Ask the Holy Spirit to reveal hidden or generational covenants. Pray like you’re tearing legal documents in the courts of heaven. Use consecrated oil. Declare your covenant with Jesus and close every spiritual backdoor.

Don’t just read—**renounce**.

### **Scripture & Prayer Focus**

#### **Colossians 2:14 (NIV):**

“Having canceled the charge of our legal indebtedness, which stood against us and condemned us; He has taken it away, nailing it to the cross.”

#### **Prayer Focus:**

Father, I thank You that through the blood of Jesus, every evil covenant is broken. I renounce every agreement made on my behalf—known or unknown. I revoke every legal right of delay, rejection, or spiritual marriage. I receive Your freedom, Your covenant, and Your blessing. Let every altar collapse, and let every chain break—in Jesus’ name.

## **12 Prophetic Declarations**

1. I declare every evil covenant over my life is broken.

2. I renounce every evil agreement made by my ancestors.
3. I cancel every spiritual marriage and dedication in Jesus' name.
4. Let the fire of God consume every altar enforcing delay.
5. I declare I am no longer a slave to spiritual contracts.
6. Every curse of delay, rejection, and confusion—I break it now!

7. Let every monitoring spirit assigned to enforce covenants be bound.
8. I remove my name from every demonic contract.
9. I declare divorce from every spirit spouse now and forever.
10. Blood of Jesus, speak on my behalf and cancel every accusation.
11. I step into covenant with God—sealed by the blood of Jesus.
12. Lord, release me into divine connection and marital breakthrough.

### **Final Thought**

You've just stood in the courtroom of heaven and revoked the contracts that have held you hostage. This isn't just a spiritual moment—it's a legal shift. The documents are burned. The chains are falling. The doors are opening.

**Today, you're not just free. You're released. Walk boldly into your next season—because now, the legal ground for delay is gone.**

## Day 9

### Uprooting Marine Spirit Attachments

Marine spirits are among the most seductive, manipulative, and relentless demonic forces operating in the realm of spiritual warfare—especially when it comes to **marital delay and sexual bondage**. They are spirits from the **marine kingdom**, a demonic realm that functions beneath rivers, lakes, and oceans but influences human lives spiritually, emotionally, and sexually.

In many cultures and belief systems, these spirits go by different names: **Mammy Water, Queen of the Coast, Leviathan, Dagon, Yemoja**, or **sirens**. But in the Bible, these spirits are exposed by their operations—**confusion, lust, seduction, delay, and destruction**.

If you've struggled with **chronic delay in relationships, dreams of sexual encounters**, or **feeling spiritually married to someone in your sleep**, you may be under the influence of **marine spirits**—and they must be uprooted.

## How Marine Spirits Gain Access

These spirits gain control through:

- **Ancestral dedications to water spirits** (many times unknown to you)
- **Sexual sin**, especially with partners already spiritually polluted
- **Spiritual marriages** made in dreams through wedding ceremonies or sexual encounters
- **Objects, names, or gifts** tied to marine covenants
- **Visiting shrines, beaches, or participating in rituals tied to the water**
- **Witchcraft and occult practices**, especially involving fertility, love, or beauty rituals

Once access is granted, marine spirits form **spiritual marriages** with their victims, creating a **covenant** that blocks real-life relationships, manipulates emotions, causes confusion, and sows division in existing partnerships.

## Signs of Marine Spirit Influence

- Constant dreams of being in or around water
- Recurring sexual dreams or feeling touched at night
- Unexplainable fear or anxiety around commitment
- Intense sexual temptation or uncontrollable lust
- Repeated engagement breakups or failed relationships
- A strong pull to seductive behavior, attention-seeking, or vanity
- Rejection from suitors for no clear reason
- Deep feelings of being “married in the spirit”

Marine spirits are **high-ranking demons**, often operating with intelligence and persistence. They **monitor, mimic real love**, and **possess spiritual legal rights** through past sin, family covenants, or spiritual ignorance.

But there's good news: **they can be uprooted.**

### **How to Break Free**

Deliverance from marine spirits is possible, but it requires spiritual aggression and **absolute renunciation**. Here's how:

1. **Repent** of all sexual sin, past rituals, or family involvement in marine worship
2. **Renounce** every spiritual marriage or dedication made through dreams or family covenants
3. **Command** the marine spirit to be uprooted from your body, soul, and bloodline
4. **Anoint your home, bed, and body** with consecrated oil
5. **Burn or remove** any item linked to water spirits (jewelry, perfumes, clothing, art)
6. **Fast and pray** for at least 3 consecutive days during deliverance
7. **Declare daily** that you are divorced from all spirit spouses and sealed by the blood of Jesus

Remember, **marine spirits thrive in secrecy**. But once exposed, their power begins to crumble.

## Journal Prompts

- Have I ever had recurring dreams of water, beaches, or oceans?
- Have I experienced unnatural sexual desires or frequent seduction in my dreams?
- Did my family or ancestors engage in rituals involving rivers, oceans, or marine entities?
- Have I ever received gifts, names, or tokens that carried strange spiritual weight?

## Action Step

Take time today to **purge** your space of anything that may be linked to marine spirits. Burn or discard items that were received during ungodly relationships or associated with water rituals, beauty charms, or seductive attraction. Then, write and speak a **Renunciation of Marine Covenant**:

“I renounce every spiritual marriage and soul tie with marine spirits. I divorce every spirit spouse. I disconnect from all altars of water and declare my freedom in Jesus’ name!”

## Affirmation

I am not married to any spirit spouse. I am not bound to any marine altar. I belong to Jesus. My soul is free. My emotions are whole. My spirit is clean. I am released from every covenant made under water. I walk in purity, love, and divine timing.

## **Testimonies**

### **Tobias – Germany**

For years I had recurring dreams of being underwater or chased by sea creatures. I would also have sleep paralysis and wake up feeling used. After watching Bishop Climate's session on marine spirits, I fasted and went through the deliverance prayers. I threw away items my ex gave me that had water imagery. Since then, my dreams have changed—and I've started a new relationship that's moving with divine peace.

### **Elaine – Germany**

My mother told me that as a baby, she bathed me in river water as part of a family ritual. I had been single for over 15 years, despite many suitors showing interest. I was plagued by dreams of a man claiming me as his wife. Bishop Climate's teaching opened my eyes. I did the 7-day anointing process, renounced every covenant, and prayed until something broke. Two months later, I was proposed to by a godly man I had known for years.

## **Real-Life Application**

Marine spirits operate with legal rights. To defeat them, you must remove those rights by:

- Repenting
- Renouncing
- Anointing
- Fasting
- Declaring

Be consistent. Use consecrated oil on your pillow, your belly button (entry gate), your forehead, and your feet. Keep worship music playing overnight. Guard your dream life. And never go back to what you were delivered from. The battle is real, but so is the victory.

## **Scripture & Prayer Focus**

### **Isaiah 27:1 (NIV):**

“In that day, the Lord will punish with his sword—his fierce, great and powerful sword—Leviathan the gliding serpent, Leviathan the coiling serpent; he will slay the monster of the sea.”

### **Prayer Focus:**

Lord, I bring every marine covenant before You. I repent for every open door in my life and bloodline. I renounce spirit spouses, marine gods, water altars, and demonic agreements made knowingly or unknowingly. I declare war against every water spirit assigned to my destiny. Break every chain, sever every tie, and cleanse my life with Your fire.

## **12 Prophetic Declarations**

1. I am no longer bound by any marine covenant.
2. I declare total divorce from every spirit spouse.
3. My name is erased from every water altar.
4. The blood of Jesus uproots every marine stronghold.
5. My sleep is protected; my dreams are sanctified.
6. I walk in freedom from lust, seduction, and manipulation.

### *30 Days to Break the Curse of Late Marriage*

7. I am visible to the one God has prepared for me.
8. I recover every blessing stolen by marine powers.
9. No marine spirit will delay my marriage another day.
10. I declare my body, soul, and spirit are fully consecrated.
11. I walk in covenant with heaven—not the sea.
12. I decree: My season of divine relationship has begun.

## **12 Powerful Prayer Points**

1. Father, I repent for every connection with marine spirits in my life or family.
2. I break every spiritual marriage made under water.
3. Every spirit spouse claiming ownership of my destiny—be cast out!
4. I renounce every dedication made through rivers, oceans, or lakes.
5. Let the fire of God consume every marine altar now!
6. I anoint my body and break every demonic spiritual mark.
7. Every marine covenant formed through dreams—I cancel it!
8. Blood of Jesus, speak on my behalf in the courts of heaven.
9. I command every monitoring marine spirit to go blind and deaf now.
10. Lord, restore everything the marine kingdom stole from me.
11. I declare freedom over my emotions, mind, and sexuality.
12. I decree marital alignment, favor, and divine attraction in Jesus' name.

## **Final Thought**

The marine kingdom has no authority over a child of God who walks in truth, repentance, and spiritual warfare. You've just exposed one of the most dangerous enemies to your destiny—and you've stripped it of its power.

**You are no longer married to delay. You are no longer tied to water altars. You are engaged to freedom. And heaven is preparing your covenant connection.**

## Day 10

### Cleansing the Womb and Bloodline

The womb is not just a biological organ—it is a spiritual gateway. In both men and women, there are **spiritual entry points** and systems of reproduction that go beyond physical conception. When a person's **bloodline is defiled**, or when the **womb has been spiritually contaminated**, it can lead to repeated patterns of unfruitfulness, delay, and marital blockages.

Sexual sin, especially outside the covenant of marriage, opens the door for **spiritual contamination**. But even more dangerous is when the womb has been unknowingly **dedicated, cursed, or defiled**—either by generational witchcraft, bloodline rituals, sexual trauma, abortion, molestation, or ancestral pacts. These defilements cry out in the spirit realm and often go unhealed for decades.

Many women and men cry out for a relationship or child, but until their **spiritual womb** and **generational bloodline** are cleansed, they remain trapped in cycles of disappointment, rejection, and infertility—both physically and relationally.

## The Spiritual Significance of the Womb

The womb represents:

- **Legacy** – It carries the future.
- **Covenant** – God's promises flow through it.
- **Fruitfulness** – A sign of blessing and multiplication.
- **Favor** – It attracts alignment and destiny relationships.

When the enemy attacks your womb (both physically and spiritually), he's attacking your **potential**, your **promise**, and your **partner**.

Many people who are blocked from marriage have unknowingly experienced one of the following:

- **Sexual covenants** that bind their womb or seed to another person.
- **Curses** pronounced by ex-lovers or relatives that sealed off their fruitfulness.
- **Abortions** or miscarriages that created spiritual grief, guilt, or demonic entry points.
- **Rituals** performed in the family involving the blood or genitals of children.
- **Rejection** from the womb—rejection by parents that spiritually marked them with abandonment.

Until these spiritual stains are **cleansed by fire and blood**, relationships remain unstable or unfruitful.

## **Bloodline Defilement**

The bloodline is the spiritual DNA of a family. When your ancestors made demonic pacts—especially ones involving **sexual perversion, incest, barrenness, or covenant-breaking**—those defilements become legal grounds for spirits of **delay, abandonment, miscarriage**, or **confusion** to block divine relationships.

Some signs of bloodline contamination include:

- Constant relationship failure across generations
- Women in your family who never marry or marry late
- High rates of abortion, molestation, or rape
- Family secrets involving incest, illegitimate births, or abandoned children
- Recurring issues of barrenness, PCOS, or fibroids across generations
- Sexual confusion or identity issues

## **Cleansing the Womb and Bloodline**

This isn't just a physical healing—it is **spiritual surgery**. You must go before God and:

1. **Repent** for any sexual sin, abortion, bloodshed, or trauma
2. **Renounce** every sexual covenant, soul tie, and bloodline curse
3. **Ask God** to purge your womb and generational line with fire
4. **Apply anointing oil** on your belly and reproductive organs

5. **Declare healing and restoration** over your bloodline
6. **Seal your womb** (or loins) with the blood of Jesus

This process can release favor, restore your identity, and open the gates of divine alignment for marriage and fruitfulness.

### **Journal Prompts**

- Have I been involved in sexual sin, abortion, or soul ties that may have defiled my womb or seed?
- What do I know about my family's sexual history, abuse, or covenant patterns?
- Have I ever felt rejected before birth or unwanted as a child?
- Are there patterns of relationship breakdowns or barrenness in my family line?

### **Action Step**

Today, consecrate your womb and bloodline. Anoint your belly (or lower back for men) with oil and pray:

“Lord, I bring my womb (or seed) before You. Cleanse me from every contamination—through sin, trauma, and bloodline curses. Wash me with Your blood. Purge every spirit spouse, sexual soul tie, and ancestral impurity from my reproductive gate. I declare my womb fruitful, holy, and aligned for divine purpose.”

## **Affirmation**

My womb is no longer defiled. My seed is holy. My bloodline is cleansed. I am not under any curse of barrenness, delay, or rejection. I am covered in the blood of Jesus. My past does not define my future. I am fruitful. I am favored. I am prepared for my divine relationship season.

## **Testimonies**

### **Travis – Indonesia**

I had a hidden past involving abortions and multiple partners. I gave my life to Christ, but my relationships kept failing. It wasn't until I attended Bishop Climate's healing and deliverance boot camp that I learned about the spiritual defilement of the womb. I went through deep repentance and spiritual cleansing. Today, I am happily married, and my wife and I just welcomed our first child. Freedom is real.

### **Diana – Indonesia**

For years, I battled shame from childhood molestation and multiple failed relationships. No one wanted to marry me, and I believed I was cursed. During a one-on-one session with Bishop Climate, he revealed a bloodline curse of rejection and sexual defilement. I did a 7-day womb cleansing fast, broke soul ties, and went through deliverance. Not only did my relationships change, but I began to love myself again.

## **Real-Life Application**

Don't ignore your spiritual womb. Whether you're male or female, your destiny flows through it. Set aside 3 days this week to fast and pray over your **seed, legacy, and lineage**. Repent for any defilement. Reject shame. Renounce covenants. Apply oil. Declare your body and bloodline cleansed. And walk forward with confidence that you are no longer polluted—you are purified.

## **Scripture & Prayer Focus**

### **Ezekiel 16:6 (KJV):**

“And when I passed by thee, and saw thee polluted in thine own blood, I said unto thee... Live.”

### **Prayer Focus:**

Father, I bring my womb and bloodline before You. I repent for every act of sin, every soul tie, every trauma, and every ancestral defilement. Cleanse me by the blood of Jesus. Let Your fire go through my body, purging every impurity and breaking every chain. Restore my fruitfulness. Rebuild my legacy. I am Yours, body and soul.

## **12 Prophetic Declarations**

1. My womb is cleansed and sanctified by God.
2. Every defilement in my bloodline is uprooted by fire.
3. I am no longer under the curse of barrenness or delay.
4. My body is the temple of the Holy Spirit—holy and pure.

9. I declare divine alignment and favor over my destiny.
10. My marriage season is open—no more hindrance.
11. I will birth purpose, vision, and legacy.
12. I am fruitful in every area of life—spiritually, emotionally, and relationally.

## **12 Powerful Prayer Points**

1. Lord, forgive me for any act of sexual sin that defiled my body.
2. I renounce every blood covenant made through sin or trauma.
3. Let Your fire purge my womb and destroy every impurity.
4. I break every soul tie with past lovers or abusers.
5. Every altar of barrenness and shame in my family—collapse now!
6. I command rejection, abandonment, and confusion to flee.
7. Father, cleanse my generational line from sexual defilement.
8. I release my womb and seed from every ancestral bondage.

9. Let my name be removed from every demonic registry of delay.
10. I declare my body is a gateway for divine purpose.
11. I call forth divine connections and covenant relationships.
12. Lord, crown me with favor and fruitfulness.

### **Final Thought**

You are not bound to the mistakes of your past or the stains of your bloodline. What was once defiled can be made pure. What was once barren can be made fruitful. What was once rejected can now be chosen. **God is the Restorer of wombs, the Redeemer of lineages, and the God who heals from the inside out.**

Walk boldly into your season of restoration. Your womb is blessed. Your seed is holy. Your future is secure.

## Day 11

### Shutting the Door to the Past

There is a reason why your future seems delayed.

It's not because you're unworthy of love.

It's not because there's no one good left.

It's because somewhere in the shadows of your past, a door is still open.

Many people cry out for a new relationship, a new beginning, or a godly spouse—yet they've **never truly shut the door** to their past. They walk around with the spiritual fingerprints of exes, betrayals, rejections, and emotional attachments still gripping their soul.

And as long as the past still has access to your emotions, your thoughts, and your identity, your future remains *stuck* in a holding pattern.

## Why the Past Still Has Power

- You never **fully healed** from the betrayal.
- You still **check on them** emotionally or digitally (social media, photos, memories).
- You haven't **renounced** the soul tie or sexual covenant formed in that relationship.
- You still wear their gifts, hold onto letters, or mentally replay conversations.
- You believed their **words of rejection** and let them shape your self-worth.
- You blamed yourself—and carry **guilt or shame** for how it ended.
- You never **forgave** them—or yourself.

Even if the relationship ended years ago, the **emotional residue** lingers. The enemy uses these open doors as *legal gates* to traffic confusion, rejection, sabotage, or unworthiness into your present relationships.

## What Are Legal Gates in the Spirit?

Legal gates are spiritual entry points that grant demons the right to harass, delay, or oppress a person. These gates are often formed through:

- **Unforgiveness**
- **Sexual sin**
- **Unspoken vows or curses** ("I'll never love again," "Men always leave")
- **Emotional trauma**
- **Broken covenants**
- **Unhealed grief**

The spiritual realm works on **legal grounds**. If a gate is open—even if you're unaware—it gives the enemy a foothold to interfere with your destiny.

### **You Must Close the Door**

Today is about more than forgetting the past. It's about **shutting the gate**, locking it with the blood of Jesus, and declaring, "That chapter is closed."

Until you do this:

- You'll attract the same spirit with different faces.
- You'll keep sabotaging good relationships because of buried fear.
- You'll repeat cycles of hope followed by disappointment.
- You'll feel connected to people God has called you to release.

This is a **spiritual cleansing**—a soul-level eviction of every person, memory, word, and emotion that has kept you bound to the past.

You don't need closure from them.

You need **freedom from the inside out**.

### **Journal Prompts**

- Who from my past still occupies emotional space in my mind or heart?
- Have I truly forgiven them—or do I still hold pain, bitterness, or regret?

- Are there any items, photos, or digital traces I need to remove?
- What inner vows did I make during or after the relationship that need to be broken?

## Action Step

Go through a full **emotional detox**. Make a list of every past relationship—romantic or emotionally entangled—that still carries weight in your soul.

For each one, pray:

“I release [Name] from my heart. I forgive them. I sever every soul tie, every word spoken, and every spiritual gate. I renounce every sexual, emotional, and covenantal connection. I plead the blood of Jesus over this door, and I shut it permanently in the realm of the spirit.”

Burn or throw away any physical reminders (gifts, photos, clothing). Then anoint yourself with oil and declare:

“My past is closed. My future is open.”

## Affirmation

I am not bound by my past.

I owe no emotional debt to those who left, betrayed, or abandoned me.

I shut every spiritual gate that was opened through past relationships.

## *30 Days to Break the Curse of Late Marriage*

I forgive fully. I release deeply. I walk forward freely.

I am emotionally whole, spiritually aligned, and ready for my divine season.

### **Testimonies**

#### **Nolan – Australia**

After three failed engagements, I was emotionally numb. I thought I had moved on, but I still dreamed about my exes and replayed every betrayal in my head. Bishop Climate's teachings on emotional gates opened my eyes. I did a full soul-tie renunciation prayer and burned everything connected to the past. For the first time in years, I felt free—and within months, I met my wife. Deliverance works!

#### **Ophelia – Australia**

My ex was abusive, but I still couldn't stop thinking about him. I wore his ring, even after the breakup. I felt like I'd never be enough. At a deliverance boot camp, Bishop Climate called out the spirit of rejection and betrayal. I fell to the ground, weeping. After prayer, it was like something left me. I stopped feeling emotionally tormented. I'm now healed, hopeful, and engaged to someone kind and godly.

### **Real-Life Application**

Don't just pray—**act**. Many believers remain spiritually tied to past lovers or emotional abusers because they refuse to clean house. Today, go through your digital and physical life. Delete, discard, detach. Block their number if needed. Don't leave

access points open. Do it as a prophetic act—and watch your future relationships align with divine favor.

## **Scripture & Prayer Focus**

### **Isaiah 43:18–19 (NIV):**

“Forget the former things; do not dwell on the past. See, I am doing a new thing!”

### **Prayer Focus:**

Father, I bring every relationship, betrayal, and unhealed memory before You. I ask You to shine light on every gate I’ve left open in my spirit. I repent for inner vows, unforgiveness, and soul ties. I sever every spiritual connection that binds me to the past. I plead the blood of Jesus over my heart and emotions. Do a new thing in me. Close what needs to be closed. Heal what needs to be healed.

## **12 Prophetic Declarations**

1. I shut every demonic door from my past.
2. No ex or betrayal has power over my present or future.
3. I sever every ungodly soul tie by fire and blood.
4. I break inner vows that sabotage my relationships.
5. I am emotionally free and spiritually whole.
6. Every gift or item from the past loses its hold over me.
7. I declare new relationships shall blossom in righteousness.
8. My identity is not tied to who left or hurt me.
9. The blood of Jesus seals every gate in my soul.

### *30 Days to Break the Curse of Late Marriage*

- 10. I am free from cycles of emotional sabotage.
- 11. I walk in divine protection and relational favor.
- 12. My future is open, blessed, and aligned with God's best.

## **12 Powerful Prayer Points**

- 1. Father, I ask You to reveal every hidden soul tie in my life.
- 2. I renounce emotional attachments to past lovers and abusers.
- 3. Every gate opened through betrayal—be sealed by the blood of Jesus.
- 4. I forgive every person who hurt, abandoned, or manipulated me.
- 5. Let every curse, word, or memory tying me to the past be destroyed.
- 6. I command all monitoring spirits from the past to flee now.
- 7. I break the grip of guilt, shame, and unworthiness.
- 8. Holy Spirit, restore my emotional capacity to love and be loved.
- 9. Let every prophetic delay caused by emotional bondage be reversed.
- 10. I sever ties to every ungodly relationship in my bloodline.
- 11. I declare a new season of divine relationships and godly alignment.
- 12. Thank You, Lord, for shutting every door the enemy used—and opening new ones for my future.

## **Final Thought**

You cannot walk into a divine relationship while dragging chains from the past. Every lingering memory, unbroken tie, and open gate gives the enemy a legal weapon. But **today**, you take back your power. You shut every door. You silence every whisper. And you step boldly into a future where love, covenant, and peace are waiting. **Let the past die so your destiny can live.**

## Day 12

### Confessing and Repenting of Ignorant Actions

There are words you spoke in a moment of heartbreak.

Vows you whispered when no one was listening.

Declarations you made while sitting in pain, convinced love would never find you.

And heaven recorded every one.

You didn't know your words were doors.

You didn't realize your bitterness was forming covenants.

You were just trying to survive the betrayal, the loneliness, the rejection.

But in your effort to shield yourself from pain, you unknowingly gave birth to barriers.

The Bible says in Proverbs 18:21, *"Death and life are in the power of the tongue."*

Your words shape worlds.

And when spoken in deep pain, they carry *spiritual legality*—even if spoken in ignorance.

## What Are Ignorant Inner Vows?

An inner vow is a strong promise you make to yourself in response to trauma, betrayal, fear, or disappointment. These aren't spoken aloud to others—but they are *enforced in the spirit realm*.

Examples:

- “I’ll never love again.”
- “Men are trash.”
- “I don’t need anyone.”
- “If marriage is like that, I want no part of it.”
- “No one will ever hurt me like that again.”
- “I’m fine being single forever.”
- “God must not want me to be married.”

These are more than emotional reactions.

They become **spiritual agreements** that echo into your future, forming a wall around your heart and blocking the very thing you pray for.

## Why Painful Words Create Lasting Delays

Pain is fertile ground for deception. When we are hurt, we often:

- Blame God
- Speak from trauma instead of truth

## *30 Days to Break the Curse of Late Marriage*

- Agree with the lies of the enemy
- Curse our future without knowing
- Seek control by making vows to protect ourselves

The spiritual realm doesn't excuse ignorance.

**Whatever you bind on earth is bound in heaven—**whether spoken consciously or emotionally.

Every vow you made to *protect your heart* has now become a gate that keeps true love out.

### **The Record Must Be Cleansed**

Heaven records words. Even **your own**. And while Jesus forgives sin, *unconfessed agreements* must be identified, repented of, and renounced—especially those spoken in bitterness.

When you renounce these vows, you're not just speaking against words—you're dismantling spiritual laws that have limited your life.

Today is your moment to go back into every season of pain, gather up those reckless words, and present them at the altar. You will **confess, repent, and renounce** every vow made in ignorance and every bitter sentence that has silently bound your future.

### **Journal Prompts**

- What painful experiences in my past caused me to say bitter or hopeless things about marriage?

- What inner vows or statements have I made to protect myself from hurt?
- Have I ever said something like “I’ll never marry,” “I don’t trust anyone,” or “Marriage is a trap”?
- How have those statements shaped my expectations, fears, or experiences?

## Action Step

1. Go somewhere private. Sit in the presence of God and ask the Holy Spirit to bring to mind **every inner vow**, statement, or curse you’ve spoken out of pain.
2. Write them down without judgment—just honesty.
3. One by one, say:

“I confess that I said [insert vow]. I renounce those words now in Jesus’ name. I cancel every spiritual agreement I made through pain, bitterness, or ignorance. I repent and ask the blood of Jesus to wipe this from my record. I now declare the truth: [insert opposite biblical promise].”

4. Anoint your lips and head with oil as a sign of cleansing your mouth and mind.

## Affirmation

My words will no longer curse my destiny.

I cancel every vow spoken in pain.

I cleanse the record of bitterness from my past.

## *30 Days to Break the Curse of Late Marriage*

I speak life, love, and truth over my future.

Marriage is God's gift for me, and I will walk in it with joy and faith.

### **Testimonies**

#### **Desmond – Pakistan**

For years I prayed for a wife but deep inside I believed it would never happen. In a moment of pain after a failed relationship, I had said, "God must hate me. I'm not meant to be married." I forgot I ever said it—until Bishop Climate taught on inner vows. I wept as I repented. Three months later, I met the woman I'm now engaged to. There's power in cleansing the record!

#### **Ingrid – Pakistan**

My father walked out on our family, and I always said, "I'll never depend on a man." I was strong, independent—but lonely. In a deliverance session, the Holy Spirit revealed that my words had become a vow that rejected marriage. Bishop Climate prayed with me, and I renounced that vow. I felt something lift instantly. Healing came, and I'm now in a loving relationship I never thought possible.

### **Real-Life Application**

Go beyond prayer—**speak to the past.**

Your healing requires your participation.

Find old journals, texts, or memories where bitterness lived.

Call them out. Cancel them.

Replace every lie you once believed with the truth of God's Word.

Speak life over your heart, your name, your future.

## **Scripture & Prayer Focus**

### **Matthew 12:36 (NIV):**

“But I tell you that everyone will have to give account on the day of judgment for every empty word they have spoken.”

## **Final Thought**

The power of life and death is not just in the tongue—it's in *your* tongue. What you once said in pain may have created walls around your destiny, but today those walls come down.

This is not just a day of prayer—it's a **day of reversal**.  
Heaven is rewriting your story because you dared to confront  
your own words. Speak life, walk free, and expect what once  
seemed impossible. **Your mouth will now open doors,  
not close them.**

## Day 13

### Dream Deliverance from Spirit Spouses

Not every dream is just a dream.

Some are doorways.

Others are contracts.

And some... are battles fought in the spirit while your body sleeps.

There are countless people, especially women and men destined for marriage, who have had their future hijacked—not in the waking world—but in the world of dreams. These dreams feel real, invasive, seductive, confusing, or tormenting. You may have even woken up from them feeling ashamed, afraid, or strangely bound.

This is not imagination.

This is not your subconscious playing tricks.

This is **spiritual warfare**—and it has a name.

## **Spirit spouses.**

### **What Are Spirit Spouses?**

A spirit spouse is a demonic entity that falsely claims you in the spiritual realm through covenants—often made in dreams, through family altars, or generational pacts. These entities function like a *spiritual husband* or *wife*, engaging in:

- **Sexual encounters in dreams**
- **Marriage ceremonies in dreams**
- **Repeated dreams of being pursued or violated**
- **Pregnancy or breastfeeding in dreams**
- **Seeing someone who calls you their “spouse”**
- **Waking up with physical sensations, pain, or fear**
- **Recurring dreams of weddings with faceless partners**

These experiences are not harmless. They form **spiritual legal grounds** and cause real-life consequences:

- Difficulty in getting married
- Constant relationship breakups
- Isolation, shame, and confusion about marriage
- Unexplainable hatred or resistance from suitors
- Late marriage or no marriage at all
- Sexual dysfunction or frustration in actual relationships

## **Dreams Are Legal Gateways**

Dreams are one of the most underestimated spiritual battlegrounds. Job 33:14–18 tells us that **God uses dreams to warn and deliver**, but the enemy also tries to hijack that realm.

Why? Because **covenants formed in the spirit**—even unknowingly—still count unless **renounced and broken**.

Many people have unknowingly been joined to demonic entities through:

- **Family witchcraft and ancestral altars**
- **Childhood molestation and trauma**
- **Ungodly soul ties and lust**
- **Curiosity in the occult or sexual perversion**
- **Marital covenants done spiritually without consent**

These spirit spouses claim ownership and resist anyone else from entering your life. It is not uncommon for relationships to suddenly fall apart right after such dreams. You must confront and cancel them.

## **Stolen Virtue and Defiled Destiny**

Sexual dreams with spirit spouses often result in stolen **virtue**—your spiritual strength, confidence, or favor gets siphoned. You may notice:

- Constant shame or condemnation
- Loss of spiritual fire or clarity

- A “fog” or confusion about your identity
- Repeated rejection without cause
- Physical weakness or nightmares

But today, by the blood of Jesus, every stolen virtue can be recovered. The covenant can be broken. The marriage annulled. The bed of defilement cleansed.

### **Your Night Can Be a Place of Victory**

Deliverance in dreams is possible. God still delivers while you sleep.

But it starts with **intentional warfare**—before bed, during prayer, and through fasting and anointing.

Tonight, as you pray, you will take authority over your dream life and **nullify every covenant formed in the dark.**

You were never meant to be married to a demon.

You are the bride of Christ, destined for divine relationship, joy, and fruitfulness.

### **Journal Prompts**

- Have I had dreams that suggest a spirit spouse (sexual activity, weddings, strange pregnancies)?
- Do I feel drained, confused, or ashamed after certain dreams?
- Are there any family ties to witchcraft, marine spirits, or occult activity?

### *30 Days to Break the Curse of Late Marriage*

- How have these dreams affected my relationships and emotional wellbeing?

#### **Action Step**

1. Tonight, before bed, pray **Psalm 91** aloud.
2. Anoint your head, your stomach, and your bed with blessed oil.
3. Declare:

“Every covenant formed in my dreams, I cancel it now in the name of Jesus. Every spiritual spouse attached to me through dreams, I renounce and divorce you by the power in the blood of Jesus.”

4. If you recall specific dreams, **write them down** and speak:

“This dream is canceled. No power of darkness can lay claim to me. I belong to God alone.”

5. Place a Bible under your pillow tonight. Set an alarm to wake up and pray if needed.

#### **Affirmation**

I am not married to demons.

I renounce every spirit spouse and dream covenant.

My nights are protected, my spirit is free, and my destiny is restored.

I recover every virtue stolen in the night.

I am covered by the blood of Jesus.

## Testimonies

### Simon – Netherlands

For years I experienced dreams where a woman would come and sleep with me. Every time I started talking to someone I liked, things would go wrong without explanation. I was convinced something spiritual was going on. After joining Bishop Climate's dream deliverance bootcamp, I received prayer and learned to cancel the dreams. The sexual dreams stopped—and now, I'm engaged to a beautiful woman of God.

### Fiona – Netherlands

I had dreams of weddings, but the groom was always faceless. I never made the connection until Bishop Climate taught about spirit spouses. I broke down crying. That night, I prayed for the first time with understanding. I cancelled every dream marriage. Since then, my mind has been clear, and I've started forming healthy, godly relationships again. Freedom is real.

## Real-Life Application

You must become the **gatekeeper of your night**. Stop accepting dreams as coincidence. Guard your sleep. Speak the Word. Cancel unclean dreams immediately. Break agreements as they try to form. If you wake up afraid, rebuke it. Stand in your authority—don't just survive the night—**dominate it**.

## **Scripture & Prayer Focus**

### **Isaiah 54:5 (KJV):**

“For thy Maker is thine husband; the Lord of hosts is his name...”

9. I bind and cast out every spirit husband or wife in Jesus' name.
10. Let my bed become an altar of divine revelation, not defilement.
11. Break the power of familiar spirits monitoring my sleep.
12. Let my spirit rise in authority while I sleep, in Jesus' name.

## Final Thought

Tonight is no longer a battleground—it's a breakthrough. The dreams that tormented you will now testify of your deliverance. No longer shall you wake up afraid, confused, or drained. The

*30 Days to Break the Curse of Late Marriage*

covenant is broken. Your spirit is clean. And your future is no longer delayed. **Sleep tonight in victory—knowing that the bed of affliction has become the altar of deliverance.**

## Day 14

### Casting Out the Spirit of Rejection

There's a pain that doesn't bleed, but it bruises deeply.

It's the ache of being overlooked.

The torment of never being chosen.

The silent wound that whispers, "*You're not good enough.*"

This is the spirit of rejection. And it doesn't just hurt — it **hides you.**

Rejection is more than a feeling. It's a **spiritual force** that warps your identity, sabotages relationships, and keeps divine connections from ever reaching you. For many people battling late marriage, this invisible force creates patterns where:

- You're always the "friend," never the partner.
- You attract emotionally unavailable or toxic people.
- You fear getting close because of past abandonment.
- You overgive, yet still get overlooked.
- Every attempt at love ends before it begins.

This is not just emotional trauma.

It's a **demonic assignment**—and today, it must be cast out.

## **Where Does the Spirit of Rejection Come From?**

Rejection often finds its way into our lives through:

- **Parental wounds:** Absence, abuse, or lack of affection opens a gateway.
- **Childhood trauma:** Bullying, comparison, and verbal abuse create inner vows.
- **Repeated relationship failure:** Breakups, betrayal, or divorce add layers of pain.
- **Unworthiness or perfectionism:** The belief that you must earn love keeps love away.
- **Generational curses:** Family lineages that carry cycles of abandonment and failure.

These open doors create a breeding ground for spiritual rejection.

It begins whispering lies:

“You’re not lovable.”

“You’re too much.”

“You’ll always be alone.”

“Everyone leaves eventually.”

These lies take root in your soul and begin to manifest **as reality**.

## How Rejection Blocks Marriages

The spirit of rejection doesn't just attack your emotions—it sends signals in the spirit realm that you are **unavailable**, even when you are desperate for love. It:

- Cloaks you in spiritual invisibility.
- Pushes potential partners away through strange behavior or fear.
- Attracts people who mirror your inner wounding.
- Makes you overcompensate, which drains your self-worth.
- Causes you to sabotage healthy relationships.

You might ask yourself, “Why do I always get passed over?”

It's not your looks. It's not your personality. It's a **curse of rejection** — and it must be cast out.

## Jesus Was Rejected, So You Could Be Accepted

Isaiah 53:3 says Jesus was “despised and rejected of men...”

He bore the full weight of rejection so you would never have to.

The cross was not just for sin—it was for shame, abandonment, and invisibility.

You are not invisible to God.

You are not disqualified from love.

You are not destined to be alone.

But to walk in this truth, you must **renounce rejection**,

**heal the inner wounds, and embrace divine acceptance.**

Today, it ends.

## **Journal Prompts**

- What is your earliest memory of feeling rejected or abandoned?
- How has rejection shaped your view of love, God, and yourself?
- Are you afraid of being loved? Why?
- Have you made inner vows like “I’ll never trust anyone again”?
- Do you overgive, overperform, or try to prove your worth in relationships?

## **Action Step**

1. Write a letter to the spirit of rejection. Renounce it out loud.
2. Burn the letter as a prophetic act of disconnection.
3. Speak out loud:

“I cast out the spirit of rejection. I am not invisible. I am not abandoned. I am chosen, loved, and accepted in the Beloved.”

4. Anoint your heart (middle of your chest) with blessed oil.
5. Say aloud three times:

“I am no longer rejected. I am divinely selected for love, joy, and connection.”

## **Affirmation**

I am not rejected.

I am chosen by God and seen by heaven.

I do not carry shame.

I release the pain of abandonment.

I walk boldly into divine relationships ordained by God.

## **Testimonies**

### **Reed – Morocco**

I lived most of my life believing I wasn't good enough. Every time I tried to pursue a relationship, it failed. I thought something was wrong with me. After hearing Bishop Climate speak on the spirit of rejection, everything made sense. I received deliverance and cried for hours. That day marked a shift in my identity. Now, I feel seen—not only by people, but by God. I'm dating someone amazing and walking in emotional wholeness.

### **Faith – Morocco**

My father left when I was young. I never knew how much it affected me until I realized I kept sabotaging every relationship. I expected people to leave, and they always did. Through the emotional healing program with Bishop Climate, I confronted my father wound, renounced rejection, and finally began to

receive real love. That rejection is gone. And for the first time, I feel worthy of marriage.

## **Real-Life Application**

Rejection thrives in silence. Break that silence. Tell God the truth. Tell your soul the truth. Surround yourself with people who affirm your worth, not question it. Speak life over yourself, even when it feels false. And take up space—emotionally, spiritually, physically. You are not an afterthought. You are God’s masterpiece.

## **Scripture & Prayer Focus**

### **Ephesians 1:6 (KJV):**

“To the praise of the glory of his grace, wherein he hath made us accepted in the beloved.”

### **Prayer Focus:**

Father, I cast out the spirit of rejection in the name of Jesus. I renounce every lie that says I am not enough. Heal the wounds of abandonment, disappointment, and shame. Let Your love restore me. Make me whole. Let every barrier between me and love be shattered. I am not rejected—I am accepted in You.

## **12 Prophetic Declarations**

1. I am not rejected—I am divinely accepted.
2. The cloak of invisibility is removed from my life.
3. I cast out the spirit of abandonment.

4. I am emotionally healed and spiritually whole.
5. I am visible to the right people.
6. My presence is welcomed, wanted, and celebrated.
7. I walk in divine favor and relational grace.
8. Every lie of unworthiness is broken.
9. I am not too much. I am not too late.
10. I will not fear closeness or connection.
11. I am seen, loved, and chosen.
12. Divine relationships are locating me now.

## **12 Powerful Prayer Points**

1. I break every generational curse of rejection in my  
bloodline.
2. Father, heal every childhood wound of abandonment.
3. I uproot the spirit of invisibility from my destiny.
4. Let the fire of God consume every lie of shame and  
fear.
5. I renounce the lie that I am unlovable.
6. I command rejection to leave my soul now.
7. Lord, restore my self-worth through Your Word.
8. I decree divine favor over my identity and  
relationships.
9. I break the yoke of emotional self-sabotage.
10. Let angels bring people into my life who see my  
worth.
11. I receive the love of the Father to fill every void.
12. I cast out rejection by the blood of Jesus and welcome  
acceptance.

## **Final Thought**

Rejection was never your portion. You were not created to beg for attention, chase affection, or question your worth. Today, the lie breaks. The weight lifts. You are loved. You are chosen. You are no longer invisible. Your season of divine recognition begins now. Walk boldly into the embrace that's been waiting for you all along.

## Day 15

### Healing the Heart for Real Love

Before God brings you someone to love, He will first invite you to heal.

Many people are praying for marriage while still carrying wounds from the last betrayal. They're asking for covenant relationships while still bleeding from abandonment, deception, or abuse. They crave connection but live guarded, armored, and afraid.

Here is the hard truth: **You cannot love with a wounded heart.**

A wounded heart filters everything through pain:

- Trust feels like a threat.
- Intimacy feels unsafe.
- Healthy people feel boring.
- Kindness feels suspicious.
- Love feels terrifying.

### *30 Days to Break the Curse of Late Marriage*

You may not even realize it, but unhealed emotional trauma is a spiritual blockage. It whispers, “*Protect yourself.*”

It builds invisible walls.

And those walls don’t just keep pain out—they also keep love out.

### **The Damage of Past Wounds**

Heartbreak is not just emotional—it is **spiritual**.

A broken heart creates cracks in your soul that:

- Invite the spirit of fear.
- Open doors to rejection, bitterness, and depression.
- Attract toxic patterns and relationships.
- Diminish your sense of worthiness.
- Hinder discernment, causing you to misread good intentions.

When the heart is wounded, **you cannot receive love—even when it’s offered.**

You’ll reject the very thing you prayed for.

You’ll self-sabotage good relationships because the old pain feels safer than vulnerability.

### **Why God Waits Until You Heal**

You may be asking, “Why hasn’t God sent my spouse yet?”

The real question is: **Would you recognize them if He did?**

God is not withholding love from you—He’s protecting you from re-injury.

He’s not delaying your destiny—He’s rebuilding the foundation.

He wants your future marriage to be one of peace, not chaos.

Joy, not torment.

Healing, not trauma bonding.

But that kind of love requires a healed heart.

## **Signs You Need Inner Healing Before Marriage**

- You still feel bitterness or anger toward an ex.
- You fear being alone but also fear commitment.
- You replay painful memories more than hopeful ones.
- You secretly believe you’ll never be chosen.
- You don’t know how to receive love without suspicion.

None of this makes you broken. It makes you **human**—and in need of **healing**.

## **You Must Be Whole Before You Can Build**

Marriage is not a cure for loneliness.

A spouse won’t heal trauma you refuse to confront.

Only the Holy Spirit can reach that deep.

Only God can make you whole.

So today, we stop waiting and start healing.

### *30 Days to Break the Curse of Late Marriage*

You can't walk into covenant love dragging the corpse of yesterday.

You must bury the betrayal.

Forgive the failure.

Cleanse the memories.

Because love doesn't thrive in wounded soil.

### **Journal Prompts**

- Who hurt you the most, and how has that pain followed you into your present?
- What beliefs about love were formed in trauma?
- Are you afraid of love? Why?
- What parts of your heart feel numb, shut down, or guarded?
- What does healing look like for you?

### **Action Step**

1. Write down the names of every person you need to forgive.
2. Say aloud, "I forgive [Name]. I release them. I break every soul tie."
3. Anoint your heart area with oil and say:

"Father, heal my heart. I let go of the pain. I prepare myself to love and be loved."

4. Delete or throw away any keepsakes (photos, messages, gifts) tied to painful memories.

## **Affirmation**

I am healing.

I am whole.

I am not my past.

I am safe to love and be loved.

God is preparing my heart for divine connection.

## **Testimonies**

### **Casey – United States**

I never realized how much trauma I was carrying until I began working through Bishop Climate's teachings on emotional healing. Every relationship I entered ended in disaster. I kept attracting the same kind of pain until I finally surrendered to the healing process. Through the online deliverance bootcamp, I forgave people I swore I never would. Today, my heart is whole, and I'm now engaged to someone who honors my healing journey.

### **Angela – United States**

For years, I thought I was just "unlucky in love." But after one prophetic session with Bishop Climate, I realized I had built emotional walls so high, no one could get through. I cried for hours, finally grieving what I had suppressed. I now live with a

### *30 Days to Break the Curse of Late Marriage*

free heart and open spirit. I've never felt more ready for the love God has promised me.

#### **Real-Life Application**

Your heart is soil. What grows in it depends on what you've planted.

Bitterness breeds walls. Forgiveness breeds intimacy.

Healing is not a one-time prayer—it's a journey.

Every day you choose to feel, forgive, and let go is a day closer to real love.

Let the Holy Spirit be your surgeon.

Let tears be your cleansing river.

And let hope rise again.

#### **Scripture & Prayer Focus**

##### **Psalm 147:3 (NIV):**

"He heals the brokenhearted and binds up their wounds."

##### **Prayer Focus:**

Lord, heal the deep wounds in my heart.

I invite You into every place where I've been betrayed, abandoned, or misunderstood.

Break the grip of pain.

Cleanse the memories.

Restore my ability to feel again.

I give You the right to rewrite my story.

Prepare my heart for real love.

Amen.

## **12 Prophetic Declarations**

1. My heart is being healed by God's love.
2. I release every betrayal and emotional wound.
3. My heart is no longer guarded by fear.
4. I attract healthy and holy relationships.
5. My emotional foundation is strong and stable.
6. I am safe to receive love.
7. I forgive those who hurt me.
8. My spirit is open to divine connection.
9. The pain of the past no longer defines me.
10. God is rewriting my love story.
11. I am emotionally whole and spiritually prepared.
12. Real love is locating me now.

## **12 Powerful Prayer Points**

1. Father, heal every place in me still wounded by past relationships.
2. I break every emotional soul tie still clinging to my heart.
3. Let the blood of Jesus cleanse my memories.
4. Uproot every lie of unworthiness and fear.

### *30 Days to Break the Curse of Late Marriage*

5. I renounce the trauma that has shaped my view of love.
6. I cast out emotional numbness and guardedness.
7. Lord, teach me to feel again—without fear.
8. Surround me with people who reflect Your love.
9. Let restoration replace every broken expectation.
10. I break every toxic cycle I've participated in.
11. Release angels to minister healing to my heart.
12. I walk in emotional freedom and covenant readiness.

### **Final Thought**

Real love is not a fairy tale. It's a spiritual promise—and it begins in a healed heart.

Today, you no longer have to live wounded.

The love story you've been praying for is possible—but it starts with **you**.

Let God hold your heart, clean your soul, and prepare you for the person He's preparing for you.

Your healing is the foundation.

And it starts now.

## Day 16

### Discovering Your True Identity in Christ

Before you can step into a God-ordained relationship, you must first know who you truly are.

Many people delay marriage not because God hasn't sent the right person, but because they are still operating from a false identity. They have allowed heartbreak, rejection, trauma, and failures to redefine their worth, shape their self-perception, and damage their confidence. When you don't know who you are, you won't know what to expect—or accept—in a relationship.

**Identity confusion is one of the greatest spiritual weapons used to keep people out of divine marriage.**

When your identity is broken:

- You become susceptible to manipulation and abuse.
- You settle for relationships that dishonor your calling.
- You confuse chemistry with covenant.

### *30 Days to Break the Curse of Late Marriage*

- You lose sight of your purpose and shrink to fit others' expectations.

Until you reclaim your identity in Christ, every relationship you pursue will be based on insecurity, fear, or fantasy.

## **How Identity Gets Distorted**

1. **Rejection from parents or childhood wounds** – This creates deep-seated beliefs like “I’m not wanted,” or “I don’t matter.”
2. **Toxic relationships** – Verbal abuse, emotional neglect, and betrayal can warp your self-worth.
3. **Past sexual sin** – This opens the door to shame, soul fragmentation, and spiritual confusion.
4. **Demonic interference** – Spirit spouses and marine spirits attack identity to keep you from discovering your destiny.
5. **Cultural expectations and pressure** – Some cultures impose labels and timelines that disconnect you from your God-designed path.

When your true identity is hidden, **your destiny becomes delayed.**

## **The Power of Knowing Who You Are**

When you discover your identity in Christ:

- You stop seeking validation from others.
- You set boundaries based on divine standards.

- You walk with a confidence that attracts divine favor.
- You become emotionally grounded, unshakable in love.

True identity gives birth to clarity.

Clarity gives birth to discernment.

And discernment protects you from wasting years on the wrong people.

Your future marriage isn't just about attraction—it's about assignment. You must know who you are to recognize who belongs in your next chapter.

## **Restoring Your Divine Blueprint**

God didn't create you to beg for love, chase approval, or settle for less.

He created you:

- Fearfully and wonderfully.
- With purpose and precision.
- In His image, clothed in glory.

Your job is not to “fix” yourself but to **rediscover what God already spoke over you** before rejection ever entered the picture.

You are not what they did to you.

You are not what they said about you.

You are who **God says** you are.

## *30 Days to Break the Curse of Late Marriage*

And when you embrace that truth—you'll attract someone who does, too.

### **Journal Prompts**

- What labels have you been carrying that God never gave you?
- How has rejection shaped your view of yourself?
- Who are you without the pain, fear, or past?
- If God were introducing you to someone, how would He describe you?
- What parts of your identity are still hidden under shame or confusion?

### **Action Step**

1. Write down all negative labels, lies, and identities you've adopted over time.
2. Rip the list and say out loud:

"I break agreement with every false identity. I receive who God says I am."

3. Create a new "Identity List" based on scriptures, prophetic words, and divine truths.
4. Speak your identity aloud daily for the next 7 days.

### **Affirmation**

I am not my past.

I am not what I lost.

I am not who left.

I am who God created—loved, chosen, and full of purpose.

My identity is rooted in Christ.

## **Testimonies**

### **Joel – Ireland**

For years, I thought I wasn't good enough for marriage. After a toxic relationship, I carried so much shame and self-hate that I stopped praying for love. But through Bishop Climate's ministry, I began healing from those lies. In one session, I felt something literally lift off my mind. It was like I saw myself for the first time—through God's eyes. Now I walk with clarity and expectation.

### **Leona – Ireland**

Growing up, I was told I was “too much,” “too loud,” and “not marriage material.” I believed those curses. I overcompensated, changed myself, and still ended up alone. But after attending an online deliverance night with Bishop Climate, my identity was reset. I'm no longer trying to be who people want—I am becoming who God called. I now have peace—and I know my husband is on the way.

And that starts with you discovering, owning, and loving your identity in Christ.

This is the season to shed old skins, silence old voices, and rise in divine confidence.

You are ready.

You are chosen.

And you are enough.

## Day 17

### Becoming Marriage-Ready (Spirit, Soul & Body)

Many people pray for marriage but forget that marriage doesn't reward desire—it reveals preparation.

God is not just preparing a spouse for you—He is preparing **you** for someone's life assignment.

Becoming marriage-ready means aligning your **spirit, soul, and body** with the covenant you are asking for. It's not about perfection—it's about **readiness**.

You don't attract what you pray for—you attract what you are prepared for.

A person might pray for a godly spouse, but if they are emotionally unstable, spiritually passive, and physically disconnected, they are likely to repel what they desire. Delays often come not because God said “no,” but because heaven is saying “**not yet —become ready.**”

## **The Spirit: Your Spiritual Readiness**

Your spirit is your eternal identity—where God communes with you. If your spirit is broken, unsubmitted, or polluted by past wounds, it will resist the very covenant God brings.

Marriage is a **spiritual partnership**. You must prepare spiritually by:

- Maintaining a life of prayer and fasting
- Strengthening discernment to recognize divine alignment
- Walking in obedience to God's instruction
- Letting go of spiritual immaturity and double-mindedness

Your spirit must be **anchored in God** before it can be joined to another.

## **The Soul: Emotional & Mental Maturity**

Your soul (mind, will, emotions) is often the battlefield that causes delays in marriage.

Ask yourself:

- Do I emotionally shut down when I'm hurt?
- Do I fear vulnerability, or cling to control?
- Have I healed from past betrayals, or do I still bleed?

Emotional instability is a relationship destroyer.

Before God gives you someone to protect, nurture, and lead—  
**He will test your ability to govern yourself.**

Emotional maturity looks like:

- Responding with wisdom instead of reacting in fear
- Setting healthy boundaries without guilt
- Knowing your triggers and owning your healing
- Being consistent in character, not mood-driven

## **The Body: Physical Preparation**

While the spirit and soul are vital, **your body is also part of covenant readiness.**

This includes:

- Taking care of your health
- Being presentable and confident in your appearance
- Understanding your sexuality through a godly lens
- Breaking soul ties, sexual pollution, and previous defilements

You don't have to look like the world's standard of beauty—you just have to be **whole.**

Your body must carry the confidence of one who knows they are prepared for intimacy, responsibility, and fruitfulness.

## **God Prepares You for What He's Sending**

A marriage isn't built on flowers and dates—it is built on **sacrifice, partnership, and responsibility.**

That means God will prepare you:

### *30 Days to Break the Curse of Late Marriage*

- Spiritually, to hear His voice and lead with wisdom
- Emotionally, to love even when it's hard
- Physically, to commit with consistency

Your season of preparation is not a punishment—it's your promotion.

You are not waiting for a person—you are becoming the person someone is waiting for.

### **Journal Prompts**

- What areas of my life (spirit, soul, or body) still need healing or growth?
- Am I emotionally consistent, or do my feelings dictate my future?
- What am I doing daily to prepare for the relationship I'm praying for?
- What kind of partner am I becoming? Would I want to marry someone like me?

### **Action Step**

1. Do a self-assessment: Spirit, Soul, and Body.
2. Rate yourself on a scale of 1–10 in each area of readiness.
3. Identify the lowest score. Focus this week on improving that area.
4. Write one daily habit to implement for spiritual, emotional, and physical growth.

5. Begin praying not just for a spouse—but to be made ready for covenant.

## **Affirmation**

I am becoming the person God designed me to be.

I align my spirit, soul, and body with heaven's purpose.

I am whole, I am ready, and I attract what is aligned with God's will for my life.

## **Testimonies**

### **Noel – New Zealand**

For years I blamed everyone else for my delays. But during a 3-day deliverance bootcamp with Bishop Climate, I was convicted—I hadn't truly prepared myself. I was spiritually immature and emotionally reactive. I started applying the teachings—fasting, journaling, praying—and within 5 months, doors opened. I met someone aligned with my purpose. God was just waiting for me to get ready.

### **Carla – New Zealand**

I used to think I was ready for marriage because I was lonely. But after one prophetic session with Bishop Climate, I realized loneliness isn't the same as readiness. I took 6 months to detox from old relationships, work on my mindset, and embrace my identity in Christ. Now I feel complete—and I know my marriage won't come to fill a void, but to multiply a blessing.

## **Real-Life Application**

Preparation is the bridge between desire and manifestation.

God doesn't delay to frustrate you—He delays to **fortify you**.

When you are spiritually grounded, emotionally healed, and physically whole, you step into a magnetic zone of favor.

Your preparation speaks in the spirit. It announces, "I'm ready. Heaven can release what's been held back."

## **Scripture & Prayer Focus**

### **1 Thessalonians 5:23 (NIV)**

"May God himself, the God of peace, sanctify you through and through. May your whole spirit, soul and body be kept blameless at the coming of our Lord Jesus Christ."

### **Prayer Focus**

Lord, make me whole—spirit, soul, and body.

Heal my brokenness, strengthen my character, and align my life with Your purpose.

Help me become emotionally secure, spiritually grounded, and physically prepared for covenant.

Let every part of me reflect Your glory and attract divine alignment.

In Jesus' name, amen.

## **12 Prophetic Declarations**

1. I declare my spirit, soul, and body are coming into divine alignment.
2. I am no longer ruled by emotional instability.
3. My spirit is growing in discernment and obedience.

5. My body is cleansed and whole for covenant.
6. I break the cycle of self-sabotage and fear.
7. God is molding me for a purpose-driven relationship.
8. I will not settle—I will only align with destiny.
9. My season of becoming is producing supernatural favor.
10. I attract what I am prepared to sustain.
11. I am a vessel of love, strength, and stability.
12. I am marriage-ready by divine design.

## **12 Powerful Prayer Points**

1. Lord, sanctify me spirit, soul, and body.
2. Uproot every emotional wound still affecting my relationships.
3. Heal my identity and restore my confidence.
4. Deliver me from double-mindedness and instability.
5. Break every soul tie that contaminates my spiritual readiness.
6. Strengthen me to walk in emotional maturity.
7. Prepare my body to carry covenant purity and confidence.
8. Let my spirit receive divine instructions with clarity.
9. Expose and remove any habits that delay readiness.
10. Let divine alignment enter every area of my life.

### *30 Days to Break the Curse of Late Marriage*

11. Open doors that match my level of preparation.
12. Release the right person in the right time for Your glory.

#### **Final Thought**

Marriage isn't something you stumble into—it's something you are **shaped for**.

God is not holding out on you—He's holding the door open for your readiness.

You don't need to chase a spouse—you need to become one.

The season of waiting is not wasted—it's the **womb of your transformation**.

Step into preparation with joy. Your covenant season is closer than you think.

**You're not waiting. You're becoming.**

## Day 18

### Restoring Feminine/Masculine Grace

In a world where confusion about gender roles runs rampant, many have unknowingly abandoned the spiritual posture that attracts covenant relationships. The enemy has distorted masculinity into dominance or passivity—and twisted femininity into manipulation or performance. But heaven’s design is still intact.

You were not created to perform for love—you were designed to carry **divine grace**.

There is a heavenly fragrance that rests on a woman who walks in **feminine grace**—not weakness, but surrendered strength. Likewise, there is kingdom authority that radiates from a man who walks in **masculine grace**—not intimidation, but protective confidence.

This grace cannot be faked. It cannot be copied from influencers or mimicry. It is developed in the **secret place**. And it is this grace that attracts the right person, the right favor, and the right destiny.

## **What Is Feminine Grace?**

Feminine grace is not limited to physical beauty. It is a posture of the spirit marked by:

- Peace instead of pressure
- Honor instead of hustle
- Faith instead of fear
- Inner beauty that reflects God's nurturing heart

A woman of grace doesn't chase—she **positions**. She doesn't compete—she **completes**.

Feminine grace is the ability to cultivate love, peace, and spiritual hospitality. It honors God's timing, resists desperation, and trusts in divine covering.

## **What Is Masculine Grace?**

Masculine grace is not about aggression—it is **divine strength under submission**.

It shows up in:

- Spiritual leadership
- Clarity of vision
- Godly protection
- Responsible pursuit without manipulation

A man walking in masculine grace is not driven by ego but led by the Spirit. He doesn't dominate—he cultivates. He doesn't control—he **covers**.

This type of man doesn't fear a woman's strength. He recognizes it, blesses it, and guides it through godly love.

## **The World's Confusion vs. Heaven's Clarity**

Modern culture has pushed people into extremes:

- Women pressured to act like men to survive
- Men emasculated by society or confused by toxic examples
- Relationships reduced to power struggles instead of spiritual purpose

But heaven says:

“Male and female He created them” (Genesis 1:27)

God's blueprint still works.

You don't have to reject your divine identity to be accepted.

When you embrace your **kingdom design**, the atmosphere shifts.

## **Divine Attraction Is Spiritual**

The spirit realm responds to posture, not appearances.

Some people are physically attractive but spiritually **repulsive** due to bitterness, rebellion, or confusion.

Others may not meet society's standards of beauty—but their spirit glows with favor.

## *30 Days to Break the Curse of Late Marriage*

Attraction in the realm of the spirit is released when:

- You embrace your identity in God
- You stop fighting roles and start honoring them
- You walk in humility, confidence, and purpose

You don't need to chase a man or seduce a woman—you need to **carry divine grace**.

### **Why This Matters for Late Marriage**

When people reject their God-given posture, they delay divine relationships.

- A woman trying to “be the man” in every situation repels pursuit
- A man refusing to lead, pray, or take initiative delays covenant
- Both genders wounded by rejection may choose rebellion instead of healing

To walk into your relationship season, you must restore what culture tried to cancel—**your divine posture**.

### **Journal Prompts**

- Have I unknowingly rejected my God-given identity as a man or woman?
- Do I feel pressure to perform, pursue, dominate, or manipulate in relationships?

- What does femininity or masculinity look like from God's perspective for me?
- Where do I need healing in how I view gender, leadership, submission, or protection?

## **Action Step**

1. Write a prayer of restoration over your identity as a man or woman.
2. Make a list of characteristics of godly femininity or masculinity and begin practicing one daily.
3. Cut off media, music, or relationships that reinforce worldly distortions of gender roles.
4. Ask the Holy Spirit to refine your posture, not just your preferences.

## **Affirmation**

I embrace the grace God has placed within me.

I reject every lie that distorts my divine identity.

Whether as a man or a woman, I am walking in heavenly posture, prepared for covenant love.

I carry the fragrance of purpose, purity, and power.

## **Testimonies**

### **Perry – Turkey**

I used to feel ashamed of being gentle and emotionally present as a man. Society called it weak. But when I began attending

online mentorship sessions with Bishop Climate, I realized that real men lead from the Spirit. I started praying, fasting, and walking with God, and within months, I was no longer invisible—I was seen by the right one. Masculine grace attracted what pride couldn't.

### **Kara – Turkey**

I was told for years that being strong meant being hard, independent, and unavailable. But I was tired of faking strength. During a deliverance session with Bishop Climate, the spirit of rebellion was broken. I began to soften—not in weakness but in trust. Today I walk with joy, grace, and power—and a godly man who saw me through God's eyes found me.

### **Real-Life Application**

Society teaches you to **perform** to be noticed.

But God teaches you to **posture** yourself to be found.

When your identity aligns with heaven's design, your presence becomes prophetic.

You don't have to be louder—just aligned.

You don't have to manipulate—just manifest.

Marriage is a covenant, not a conquest.

Let your spirit speak before your voice ever does.

## **Scripture & Prayer Focus**

### **1 Peter 3:4 (NLT)**

“You should clothe yourselves instead with the beauty that comes from within, the unfading beauty of a gentle and quiet spirit, which is so precious to God.”

### **Prayer Focus:**

Father, restore the divine grace You placed in me.

Heal every wound that twisted my identity.

Break every lie that says I must perform to be loved.

Let me reflect the beauty, authority, and strength You intended.

Make me magnetic with purity and power.

Let my posture draw heaven's match for my life. In Jesus' name, amen.

## **12 Prophetic Declarations**

1. I walk in my divine identity with boldness and humility.
2. My femininity/masculinity is restored by God's design.

6. I release desperation and walk in spiritual posture.
7. I attract covenant relationships, not confusion.

- 10. I reflect heaven's image in every interaction.

- 12. My divine grace is a magnet for divine alignment.

## **12 Powerful Prayer Points**

- 1. Lord, restore my identity as a man/woman made in Your image.
- 2. Break off every distortion of masculinity/femininity from my life.

- 10. Align me with heaven's order and kingdom roles.
- 11. Let godly attraction flow from my identity in You.
- 12. I declare I am ready to receive love on heaven's terms.

## **Final Thought**

Your identity is not an accident—it's your assignment.

When you embrace who God made you to be, the right people, favor, and relationships begin to respond.

Dr Climate Wiseman

Don't let culture rewrite your posture. Don't let rejection shape your personality.

You are royalty—walk like it.

Heaven's order still works. And when you align with it, **everything accelerates.**

## Day 19

### Realigning with God's Relationship Timing

In the journey toward marriage, one of the greatest battles is not against demons—it's against **desperation**. When you've waited, cried, fasted, hoped, and still nothing seems to shift, the temptation to give up or settle becomes dangerously loud.

You start to wonder:

"Did God forget me?"

"Did I miss my chance?"

"Am I too old, too damaged, too late?"

Let this be clear: **Delay is not denial.**

You are not forgotten—you are **being prepared**.

God is not just preparing someone for you—He's preparing **you** for someone. He is orchestrating a kairos moment: a divine alignment of time, purpose, and readiness.

## The Trap of Desperation

Desperation is a spirit that breeds **impatience, compromise, and spiritual blindness**. It causes people to:

- Ignore red flags
- Settle for less than covenant
- Force outcomes in the flesh

When you allow desperation to rule your emotions, you open doors to counterfeit connections. These look good on the surface but carry **no oil, no peace, and no future**.

Desperation makes you run **ahead of God**.

It fuels panic instead of trust.

It drives you toward **Ishmael** instead of waiting for **Isaac**.

## Understanding Kairos Timing

In the Greek, there are two words for time:

- **Chronos** – natural, measured time (calendars, clocks, birthdays)
- **Kairos** – supernatural timing of God (appointed seasons, moments of destiny)

Many people get discouraged because their **chronos** doesn't match their desires. But what matters most is **kairos**—when **God says now**.

In **kairos moments**, things that didn't work for years suddenly align:

### *30 Days to Break the Curse of Late Marriage*

- You meet someone within days of deep surrender
- Doors of communication open without effort
- Your spirit discerns clearly and your heart rests fully

Kairos doesn't need your calendar—it needs your **readiness**.

### **How to Discern God's Timing**

You're in God's kairos season when:

- You no longer chase—peace follows you
- You're not anxious—but expectant
- You've let go of fear, shame, and competition
- You're walking in purpose, not pressure

When your spirit is **aligned**, your environment begins to shift.

You don't need 10 confirmations—there's a quiet knowing, and the fruit matches.

### **What Happens When You Rush**

Rushing into relationships produces spiritual miscarriages.

You may **conceive hope**, but it won't grow to full maturity.

You end up:

- Spiritually drained
- Emotionally confused
- Distracted from your calling

When you wait on God, you receive what's been prepared **with you in mind.**

When you rush, you pick up what was **never assigned** to you.

## **God's Delay Is God's Protection**

Every delay is doing more than you know:

- Protecting you from counterfeits
- Building your spiritual muscles
- Teaching you to hear God, not culture
- Positioning you for the right moment, not just the right person

You don't want a relationship that costs you **peace** just to say you have a partner.

You want one that multiplies your **purpose** and matches your assignment.

## **Journal Prompts**

- In what ways have I allowed desperation to drive my relationship decisions?
- Do I truly believe God's timing is better than mine?
- Where have I been comparing my journey to others?
- What fruit or signs show me that I'm in alignment or out of alignment with divine timing?

## **Action Step**

1. Renounce desperation out loud. Break its grip over your decisions.
2. Write down a list of areas where you feel behind, and surrender each one to God in prayer.
3. Begin praying for **kairos discernment**—to recognize divine moments, not rush them.
4. Set a fast (1–3 days) to silence emotional noise and realign your spiritual clock with heaven.

## **Affirmation**

I am not late. I am not behind.

I am divinely positioned for my kairos moment.

I refuse desperation and embrace preparation.

I trust God's calendar more than man's timelines.

My time is in His hands—and He makes all things beautiful in **His time**.

## **Testimonies**

### **Dean – United States**

I had just turned 43 and was convinced I'd missed my window. I nearly proposed to someone I had no peace about—just to quiet the noise. But during an online bootcamp with Bishop Climate, I realized I was trying to create what only God could reveal. I broke the spirit of desperation, and within months, I

met someone who had also been waiting with purpose. We're now walking into destiny—together.

### **Bethany – United States**

I compared myself to everyone around me—friends getting married, having kids, posting anniversaries. I felt forgotten. But through Bishop Climate's mentorship sessions, I learned the difference between **chronos** and **kairos**. I surrendered my calendar to God. When I least expected it, my divine match appeared—and everything aligned with peace, purpose, and confirmation.

### **Real-Life Application**

When you stop checking the clock and start trusting the **Creator of time**, anxiety leaves.

Your posture of peace becomes more attractive than any profile or outfit.

Desperation makes you chase people—alignment makes the right one find you.

Wait well. Trust deeper. Let your faith dictate your pace.

God is not working on delay—He's working on **design**.

### **Scripture & Prayer Focus**

#### **Ecclesiastes 3:11 (NIV)**

“He has made everything beautiful in its time.”

**Prayer Focus:**

Lord, I repent for every moment I doubted Your timing.

Forgive me for settling, rushing, or allowing desperation to rule.

Align me with Your kairos moment.

Teach me to trust the process, not panic at the pause.

Let my heart rest in the beauty of Your pace.

I receive the grace to wait well and discern divine alignment. In Jesus' name, amen.

**12 Prophetic Declarations**

1. I declare I am not behind—I'm aligned with heaven.
2. Every spirit of desperation is broken from my life.
3. I release comparison and embrace contentment.
4. I wait on God's timing with peace and joy.
5. My kairos moment is approaching with divine clarity.
6. I will not miss my marriage season.
7. I walk in prophetic alignment and patience.
8. Every counterfeit connection is exposed and removed.
9. God is preparing the right person at the right time.
10. My heart is whole, healed, and ready.
11. I am attractive to destiny—not distraction.
12. My God-ordained relationship will manifest in perfect timing.

## 12 Powerful Prayer Points

1. Lord, align me with Your divine calendar for my life.
2. Break the spirit of desperation and fear from my soul.
3. Uproot every seed of impatience, comparison, and doubt.
4. Teach me to discern kairos moments with accuracy.
5. Disconnect me from every counterfeit relationship.
6. Give me grace to wait in peace, not panic.
7. Restore my confidence in Your timing and plan.
8. Prepare my heart for covenant, not compromise.
9. Silence every voice that tries to rush my process.
10. Activate prophetic discernment to identify the right one.
11. Let heaven announce my season of marital release.
12. Release divine acceleration in my life according to Your will.

## Final Thought

God's delay is not a punishment—it's protection.

When you trust His timing, you will never be too late or too early—you will be **right on time**.

The right relationship won't require striving—it will arrive with **confirmation, peace, and purpose**.

Let go of the panic. Embrace His pace.

Your divine moment is closer than you think.

Wait well—it's coming.

## Day 20

### Prayers That Birth Marriages

There are prayers—and then there are *prophetic prayers*. Prayers that carry fire. Prayers that break barriers. Prayers that *birth marriages*.

Late marriage is not always a natural delay. Often, it's a **spiritual blockade**, a demonic embargo placed over a person's relationship life. And no casual prayer can dismantle what was built on ancient altars.

If your destiny marriage has been delayed, you must understand this: **your marriage must be birthed in prayer**. Just as a woman in labor must push with focus and force, so must you war for your marital breakthrough.

You are not begging God to give you what He doesn't want—you are **wrestling away what the enemy has hijacked**.

This is not just about asking. It's about confronting.

## The Power of Prophetic Intercession

Prophetic intercession is targeted, strategic, and Spirit-led.

It's not reciting prayers—it's **declaring war** on every power blocking your promise.

When you engage in prophetic intercession, you are:

- Enforcing God's will over your life
- Summoning angelic intervention
- Breaking demonic patterns through firepower
- Releasing divine favor for visibility, attraction, and covenant connection

You're not just praying for marriage—you're dismantling every invisible barrier that has said, "*You will never marry.*"

## Why Some Prayers Don't Work

Many people pray but see no results. Why?

Because their prayers lack:

- **Authority** – no understanding of spiritual dominion
- **Target** – vague language instead of naming the blockage
- **Consistency** – inconsistent effort due to weariness or doubt
- **Alignment** – praying but still tied to soul ties, bitterness, or spiritual spouses

A person can be praying for a spouse while still spiritually

*married* in the demonic realm. That's not prayer—that's contradiction.

Effective prayer begins with **alignment**—your soul, spirit, and life must agree with what you're asking.

## **Prayer That Breaks Delay**

This kind of prayer involves:

- **Repentance** – clearing all legal grounds the enemy uses
- **Renunciation** – verbally breaking evil covenants
- **Prophetic Declarations** – speaking the outcome into the now
- **Binding & Loosing** – commanding angels to bind spirits of delay
- **Calling Forth** – summoning your divine spouse to manifest

You're not praying *from defeat*, you're praying *from victory*.

You are enforcing what heaven already ordained.

## **Strategic Prayer Targets**

When praying to birth marriage, you must target:

1. **Your Foundations** – break ancestral covenants and family altars
2. **Your Soul** – sever emotional ties, bitterness, unforgiveness

3. **Your Atmosphere** – clear your home, dreams, and surroundings
4. **Your Visibility** – command divine spotlight and recognition
5. **Your Spouse** – pray for their release, healing, and direction
6. **Your Destiny Gate** – decree open gates for your marriage season

### **Birth Through Tongues and Travail**

One of the most powerful tools in this battle is **praying in tongues**.

Why? Because the Spirit intercedes beyond what you know. It targets roots and demonic setups you're not even aware of.

When you pray in tongues with travail, **heaven responds**.

Mountains move. Angels are dispatched. Chains shatter.

You birth what couldn't be birthed in the flesh.

### **The Role of Prophetic Prayer Altars**

Sometimes it takes **a prophetic altar** to provoke divine release.

This is why partnering with a prophetic ministry (like Bishop Climate Ministries) brings results.

Altars speak.

When you engage with a consecrated altar through fasting,

sowing, and consistent warfare, you access **supernatural acceleration**.

Many destinies have been unlocked not by wishing—but by **warfare at the altar**.

## **Journal Prompts**

- What have I been praying for—and how has that changed over time?
- Have my prayers been emotional or strategic?
- What do I need to renounce or repent for to birth my marital breakthrough?
- Am I aligned spiritually to receive the marriage I am praying for?

## **Action Step**

1. Set aside 3 days for focused prophetic prayer for marriage.
2. Use the declarations and prayer points below as your daily war guide.
3. Pray in tongues for at least 30 minutes daily—without distractions.
4. Anoint your bedroom and declare, “This atmosphere will welcome covenant love.”
5. Contact Bishop Climate Ministries to place your name on the altar for divine alignment.

## **Affirmation**

My marriage is not delayed—it is being birthed.

I will not settle for counterfeits.

I am spiritually aligned, emotionally ready, and prophetically positioned.

My prayers are powerful, and they pierce the heavens.

I declare—my season of divine union has come.

## **Testimonies**

### **Gideon – India**

I was a pastor, yet something kept blocking marriage. Every time I got close, something strange would happen. I joined one of Bishop Climate's online bootcamps and learned about prophetic prayer strategies. I prayed like I never had—tongues, declarations, midnight warfare. Within months, the woman God had for me was revealed. We're now engaged, walking in divine peace.

### **Whitney – India**

People thought I didn't want to get married—but they had no idea how hard I'd been praying. Until I realized I wasn't praying with power. I connected with Bishop Climate Ministries, followed the daily declarations, and sowed a marital breakthrough seed. My dream shifted. My confidence returned. And today, I'm planning a covenant wedding. Prayer works—when it's prophetic.

## **Real-Life Application**

Don't just pray—**war in the spirit.**

Use your voice to unlock what the enemy tried to silence.

Your destiny is voice-activated.

If the devil fears anything, it's a praying believer who knows who they are and who they serve.

Set your altar. Open your mouth. And **birth your marriage.**

## **Scripture & Prayer Focus**

### **James 5:16 (KJV)**

“The effectual fervent prayer of a righteous man availeth much.”

### **Prayer Focus:**

Father, I come with spiritual fire.

I renounce every hidden covenant, delay, or hindrance.

Let Your light expose what blocks my promise.

Break every chain of delay, silence every accusation, and release my divine spouse.

Anoint my prayers with fire. Let every altar of delay be dismantled.

I decree—my marriage shall be born in Your time, with Your blessing.

## **12 Prophetic Declarations**

2. Break every demonic embargo on my marriage season.
3. Uproot ancestral covenants delaying divine connection.
4. Silence every voice of witchcraft and jealousy.
5. Let my ordained spouse be released from captivity.
6. Anoint me with favor, wisdom, and discernment.
7. Purge my environment of spiritual contamination.
8. Let every monitoring spirit be struck with blindness.
9. Grant me divine dreams and marital revelation.
10. Empower my tongue to speak prophetically.
11. Restore my confidence, purity, and clarity.
12. I claim my kairos moment for divine union—now.

## **Final Thought**

Marriage is not born through hoping—it's born through *warfare*.

If you want what is yours, you must rise up like a warrior bride—or a prophetic groom.

Command delay to break.

Pray until something happens.

Decree until heaven responds.

You are one prophetic prayer away from the door **swinging wide open**.

Now go—*birth your miracle*.

## Day 21

### Serving God While Waiting

There is a dangerous misconception that waiting for marriage means *doing nothing*. That somehow, because a promise has not yet manifested, you are supposed to simply endure the passing of time. But nothing could be further from the truth.

Waiting is not passive. Waiting is *purposeful action*.

And the most powerful thing you can do while waiting for your divine partner is to **serve God with everything you have**.

The delay is never wasted time—*unless you waste it*.

The Bible is full of examples of individuals whose marriage breakthroughs were connected to their obedience, service, and faithfulness in their waiting season. Ruth served Naomi. Rebecca was drawing water. Isaac was meditating in the field. Esther was being prepared.

They weren't chasing marriage—they were being faithful. And **favor found them**.

## **Why Serving in the Waiting Season Matters**

Serving God during your waiting season does three things:

1. **Protects your heart from bitterness** – Service shifts your focus from what you lack to whom you serve.
2. **Prepares your spirit for partnership** – Serving others teaches you humility, love, patience, and maturity—foundational for a strong marriage.
3. **Positions you for divine favor** – God often visits those who are *found working*.

You're not serving to impress God—you're serving to *stay aligned* with the divine flow. Many people complain about delay, yet their hands are idle and their altars are cold. They've allowed disappointment to cause spiritual dryness.

But service is your statement of trust. It says, "God, even if I don't yet have what I prayed for, I will still give You all of me."

## **Faithfulness Unlocks Favor**

The people who are elevated in scripture all have one thing in common: **faithfulness**.

Faithfulness doesn't mean perfection.

It means consistency, reliability, and obedience—even when it feels like nothing is changing.

Marriage is not a reward for loneliness—it's a covenant responsibility. And God often waits until you're stable in *your assignment* before connecting you to someone else's.

When you serve faithfully:

- Doors open that you didn't knock on.
- Divine connections find you in the secret place.
- Your character matures to handle covenant blessings.

Remember—*God is not mocked*. What you sow in faithfulness, you will reap in favor.

## **Serving God with Vision**

To serve well while waiting:

- Be *planted* in a local church or ministry (not hopping, but rooted)
- Volunteer in areas of need, even if they are unrelated to your calling
- Develop a lifestyle of daily prayer, fasting, and spiritual growth
- Refuse to compare your journey to others
- Honour spiritual leadership
- Support Kingdom work with your time, talents, and giving

When you give your best *now*, you become marriage-ready *then*.

God is not looking for desperate singles—He's looking for diligent disciples.

## **Common Mistakes in the Waiting Season**

Many believers sabotage their own marriage breakthrough during the waiting season by:

- Withdrawing from church because they're "tired of being alone"
- Becoming bitter and comparing themselves to others
- Rushing into relationships just to avoid loneliness
- Neglecting their gifts, calling, or prophetic destiny
- Becoming emotionally or sexually entangled with counterfeits

The enemy loves an idle heart. If you're not serving God, you become an easy target for deception.

But when your life is a burning altar, **the devil has no legal grounds to detour your promise.**

## **How Serving Advances Your Marriage Destiny**

Here's the mystery: *your marriage is often hidden in your obedience.*

Not in your beauty. Not in your desperation. Not in your age.

### **In your obedience.**

When you serve the vision of others, God sends people to serve yours.

When you water others, heaven waters you.

When you pray for another person's marriage, you break something off your own.

## **Journal Prompts**

- Have I been fully engaged in serving God while I wait, or have I allowed discouragement to make me passive?
- What gifts, talents, or resources am I withholding from God during this season?
- What would faithfulness look like in this chapter of my life?
- Am I prepared to be found doing God's work when my divine connection arrives?

## **Action Step**

1. Write down three ways you can begin (or resume) serving in your church, community, or online ministry.
2. Commit to one consistent act of service this week.
3. Sow a seed as an act of obedience during your waiting season—let your gift speak on the altar.
4. Journal your prayers daily for others who are believing for marriage.

## **Affirmation**

I am not waiting—I am preparing.

I am not stuck—I am being strengthened.

As I serve, I grow. As I sow, I reap.

God sees me. Heaven records me.

## *30 Days to Break the Curse of Late Marriage*

I will not miss my divine appointment.

I am found faithful—and I will be found by the right one.

### **Testimonies**

#### **Emerson – Egypt**

I was tired of being single and started withdrawing from church. But the Holy Spirit convicted me, and I began serving on the ushering team again. Week after week, I gave my best—without expectations. Six months later, during a special night service, a visiting minister gave me a word: "*God says your obedience has unlocked your wife.*" Today, we are married, and I understand that it was *faithfulness* that paved the way.

#### **Jocelyn – Egypt**

I joined Bishop Climate's online women's mentorship course, not even thinking about marriage. I just wanted to grow. But as I served in the prayer group, covered others, and sowed seeds for them, something began to shift. I wasn't just praying—I was *becoming*. And God brought a godly man into my life who recognized me because I was positioned by purpose, not pressure.

### **Real-Life Application**

It's time to stop treating this season like a punishment. This is your **preparation chamber**.

Serve like the one you're waiting for is watching.

Give like heaven is taking notes.

Love like your future depends on it—because it does.

Don't just say, "God, send me a spouse." Say, "God, shape me into the kind of person who brings You glory in marriage."

## **Scripture & Prayer Focus**

### **Luke 12:43 (NIV)**

"It will be good for that servant whom the master finds doing so when he returns."

### **Prayer Focus:**

Father, help me to serve You faithfully while I wait. Let my hands remain diligent and my heart pure.

Remove bitterness, idleness, and discouragement.

Let divine favor locate me in the place of obedience.

## **12 Prophetic Declarations**

9. I cancel every spirit of discouragement.
10. The altar of faithfulness is speaking for me.
11. I will be found ready when my kairos moment comes.
12. I declare this is my season of divine positioning.

## **12 Powerful Prayer Points**

1. Lord, restore my passion to serve You faithfully.
2. Break every spirit of sloth, discouragement, and comparison.
3. Let my gifts make room for divine alignment.
4. Raise altars of remembrance through my service.
5. Let favor find me while I serve.
6. Open doors as I remain planted in purpose.
7. Keep me focused on obedience—not timelines.
8. Surround me with leaders who sharpen my growth.
9. Let my works provoke angelic intervention.
10. Release divine matchmaking while I serve.
11. Protect my heart from bitterness or rebellion.
12. Let my spouse locate me in the field of faithfulness.

## **Final Thought**

Don't despise your current season—**dominate it.**

God is not punishing you. He is *preparing you.*

And when you are found faithful in the field, favor will find you.

Don't just wait—**worship. Work. Win.**

Dr Climate Wiseman

Because the one who serves now will reign later.

Your moment is closer than you think—*stay at your post.*

## Day 22

### Prophetic Acts to Unlock Marriage

There are moments when prayer must be **backed by prophetic action**. When delay becomes stubborn, and the usual routine no longer produces results, it's time to take bold steps that move heaven. The Bible is filled with moments where physical acts unlocked spiritual breakthroughs.

Moses stretched his rod. Joshua marched around Jericho. The widow poured oil. Naaman dipped seven times. Jesus spit in the mud and healed a blind man.

These were not just symbolic—they were *prophetic activations*.

They served as visible acts of obedience that invited invisible power to flow.

In the same way, there are prophetic acts that can **break the curse of late marriage**—acts of radical obedience and targeted faith that disrupt spiritual delay and usher in divine alignment.

## What Is a Prophetic Act?

A prophetic act is a Spirit-led instruction carried out physically to activate a spiritual result. It is **doing something in the natural that mirrors what God is doing in the spirit**.

These acts don't manipulate God—they *demonstrate trust*.

They align your obedience with divine timing and establish your agreement with heaven's agenda.

In the realm of marriage delay, prophetic acts can tear down demonic altars, break invisible yokes, and release marital favor.

## Why Prophetic Acts Matter in Marital Breakthrough

Delays in marriage are rarely random. They are often rooted in:

- Evil covenants
- Family altars
- Witchcraft operations
- Spirit spouse interference
- Word curses and personal vows

Prophetic acts are like **legal transactions in the spirit realm**. They confront what was hidden, cancel what was spoken, and restore what was stolen.

Sometimes, what prayer alone doesn't shift, *obedient action* will.

### **3 Prophetic Acts That Break Marital Delay**

#### **1. Anointing Oil:**

Oil is a prophetic symbol of the Holy Spirit. When you anoint yourself or your home under divine instruction, you mark yourself for divine favor and cleansing.

- Anoint your head daily, declaring marital breakthrough.
- Anoint your bed, room, and front door, commanding peace and restoration.

#### **2. Prophetic Offerings:**

Giving unlocks doors that emotions cannot. When you sow a seed specifically tied to breaking delay, it becomes a **voice on the altar**.

- Name your seed: “My Marriage Season,” “Breaking Marital Delay,” “Covenant Alignment.”
- Sow with expectation, not emotion. Let the seed speak for you.

#### **3. Prophetic Declarations:**

Your words create your world.

When you speak God’s will aloud consistently, you establish divine order and dismantle curses.

- Declare your season daily.
- Break every ungodly covenant aloud.
- Speak to your spirit and your future spouse—even if you haven’t met them yet.

## How to Know What Prophetic Act to Use

Ask God. Listen to the Holy Spirit.

Sometimes a prophet will release a specific instruction—follow it without delay.

Sometimes God will nudge you with a unique act—obey it in faith.

These acts are not formulas. They are *faith keys*. And they only work when your heart is in full agreement with God's will.

## Avoiding the Trap of Religious Rituals

Prophetic acts must come from **faith, not fear**.

If you're just doing things to "see if they work"—they won't.

But if you do them believing God has already moved—and this act is your agreement—breakthrough will follow.

There is power in your obedience. When combined with prophetic instruction, it becomes an explosive force.

## Journal Prompts

- Have I obeyed any prophetic instructions concerning my marriage?
- What prophetic act am I sensing God calling me to do right now?
- Have I treated past prophetic instructions casually or with partial obedience?
- What would full surrender look like for me in this season?

## **Action Step**

1. Anoint yourself daily for the next 7 days and declare marital favor over your life.
2. Sow a prophetic offering specifically for your marriage breakthrough.
3. Write down 7 daily declarations and speak them aloud morning and night.
4. If led, clean and anoint your bedroom, breaking any lingering residue from past soul ties.

## **Affirmation**

I align my spirit with divine timing.

Every prophetic act I carry out releases heavenly power.

My obedience is my breakthrough key.

I will not be delayed—I am divinely positioned.

As I act in faith, heaven responds with favor.

I walk boldly into my marriage season.

## **Testimonies**

### **Ray – Kenya**

For years, I fasted and prayed but nothing shifted. I attended a Zoom deliverance session with Bishop Climate where he instructed us to sow a prophetic seed and anoint our doorposts for breakthrough. That night I had a dream of a demonic woman packing her bags and leaving. Two months later, I met my wife. We're now married and free. Obedience works!

## **Denise – Kenya**

I was told by my family that I'd never marry because of a generational curse. I followed the prophetic acts—anointing, declaration, and a specific offering named "My Marriage Door Must Open." Within three months, someone I hadn't seen in years reached out. Today we're engaged, and the shame over my life has broken!

## **Real-Life Application**

Don't just read this book—*act on it*.

Sometimes, the difference between delay and destiny is one step of obedience.

Don't wait for a feeling—move by faith.

Let your altar speak. Let your actions prophesy.

God responds to trust demonstrated, not just trust spoken.

## **Scripture & Prayer Focus**

### **James 2:17 (NIV)**

"Faith by itself, if it is not accompanied by action, is dead."

### **Prayer Focus:**

Lord, show me what prophetic acts You are calling me to do in this season.

I renounce every passive spirit, and I embrace bold obedience.

Let my oil carry fire. Let my seed break ground. Let my declarations build my future.

As I act, let heavens open over my marital destiny.

## **12 Prophetic Declarations**

1. I release the oil of marital favor upon my life.
2. My seed is speaking on every altar of delay.
3. I declare divine connections shall locate me.
4. I break every invisible chain delaying my marriage.
5. I walk in bold obedience to every prophetic instruction.
6. My room, bed, and body are sanctified for covenant.
7. I am spiritually aligned and emotionally healed.
8. God is connecting me to the right person at the right time.
9. My hands shall carry my wedding testimony.
10. No curse, witchcraft, or spirit spouse can block me.
11. The atmosphere around me is shifting into favor.
12. I declare: This is my season of marriage!

## **12 Powerful Prayer Points**

1. Father, reveal every prophetic act that will unlock my marriage.
2. I anoint myself for favor, alignment, and breakthrough.
3. Let every soul tie still attached to me be broken.
4. I command all spiritual spouses to leave now in Jesus' name.
5. Let my altar speak louder than demonic altars.
6. Let my prophetic seed destroy every delay covenant.

7. I reverse every word curse and inner vow spoken  
against marriage.
8. Every door the enemy has shut—be opened by fire.
9. Let divine dreams and confirmations visit me now.
10. Surround me with destiny helpers who will  
prepare me.
11. Let my faith be backed by action and my action by  
fire.
12. I decree: marital delay is broken forever in Jesus'  
name!

### **Final Thought**

The Word says faith without works is dead—so let your *faith come alive*.

Pick up the oil. Sow the seed. Speak the Word.

Let every prophetic act be an echo of your belief in God's promise.

Your marriage is not lost. It is **locked in the spirit**—but your obedience is the key.

**Turn it today.** Favor is waiting.

## Day 23

### Divine Exposure and Visibility

Have you ever felt like you're doing everything right—but still being overlooked? You've prayed, prepared, fasted, forgiven, served, and surrendered. Yet it seems as if no one sees you. It's as though you're wearing an invisible cloak in the spirit realm. Others around you are getting engaged, married, and celebrated—but you remain hidden, waiting for your time.

This is not your imagination. It's spiritual.

It's the operation of **a demonic veil of obscurity**—a blinding covering placed over your life by spiritual forces to **prevent the right person from locating you.**

In the spirit, visibility is everything.

If you are not *spiritually exposed*, then the person God has ordained for you may pass you by—not because they are blind, but because you are veiled.

This veil can take many forms:

- Witchcraft-induced coverings from jealous family or friends
- Word curses like “No one will ever marry you”
- Soul ties from previous relationships
- Ungodly dedications or ancestral covenants

Each veil carries a spiritual force that conceals you from divine connections.

## **Spiritual Visibility Is Not About Beauty—It’s About Light**

The Bible says in Matthew 5:14, “You are the light of the world. A city on a hill cannot be hidden.”

If you carry the glory of God, your presence will illuminate.

But veils can *dim your light* and cause others to bypass you—even in a crowd.

You could be standing right in front of your future spouse, but if you are spiritually veiled, they won’t *see* you.

## **What Causes Spiritual Obscurity?**

### **1. Witchcraft and Jealousy Altars**

- Someone may have cursed your relationships out of envy.

### **2. Unbroken Word Curses**

- Words like “You’ll never be happy in love” or “No man will stay with you” stick in the spirit if not broken.

### **3. Unhealed Rejection or Trauma**

### *30 Days to Break the Curse of Late Marriage*

- Pain in the soul can attract wrong people and repel the right ones.
- 4. **Spirit Spouses or Ancestral Vows**
  - These claim “ownership” over your destiny and block access to others.
- 5. **Self-Rejection and Negative Confession**
  - When you speak invisibility over your own life, the spirit realm responds accordingly.

## **What Happens When the Veil Is Torn?**

When divine exposure happens:

- People notice you without you trying
- Your name begins to come up in conversations
- Opportunities open unexpectedly
- Right people begin to locate and favor you
- You walk into rooms and carry a fragrance of divine attraction

This is not manipulation—it’s **God’s grace restoring your light**.

When Esther was prepared and presented before the king, she *found favor in his sight above all the others* (Esther 2:17). This was not by makeup alone. This was **spiritual visibility** through divine favor.

## **You Must Command Your Light to Shine**

God has already placed greatness inside you. But now, you must **call your visibility into the natural realm**.

It's time to:

- Tear off every spiritual veil
- Break every word curse
- Reject rejection
- Speak visibility and favor over your life

You were never meant to live hidden.

You are not invisible.

Your spouse, your helpers, your destiny connections—they *must* find you.

## **Journal Prompts**

- Have I experienced a pattern of being overlooked in relationships or proposals?
- What word curses or statements have I accepted about myself or my future?
- Do I feel like I've been spiritually "invisible"? If so, when did it begin?
- What would it mean for me to become visible to the right people?

## **Action Step**

1. Stand in front of a mirror and break every spoken word curse over your life.
2. Take anointing oil and declare, "I am visible to my destiny helpers and spouse."

### *30 Days to Break the Curse of Late Marriage*

3. Pray aloud to command divine exposure, using your full name.
4. Begin to write and speak positive confessions of visibility, worth, and favor daily.

#### **Affirmation**

I am seen.

I am noticed.

I carry divine light.

Every veil of obscurity is torn off me.

My God-ordained spouse sees me with clarity and favor.

I am no longer hidden—I am divinely visible.

#### **Testimonies**

##### **Alvin – South Africa**

I used to feel like women just passed me by. I was always “the friend,” never the choice. After applying the teachings from Bishop Climate’s course and doing the visibility declarations, something shifted. Within weeks, a lady from my church whom I had known for years suddenly began to “see” me. She told me she felt like God just opened her eyes. We are now married and thriving!

##### **Yvonne – South Africa**

For 12 years, I had no relationship breakthroughs. I was told in deliverance that a jealous relative had placed a curse on me to keep me from marrying. I followed Bishop Climate’s instruc-

tions to break the veil, anointed my head, and sowed a seed named “Let Me Be Seen.” Within 2 months, I met someone through mutual friends, and everything changed. He said, “I don’t know why I never noticed you before—but now I can’t stop thinking about you.” Glory to God!

## **Real-Life Application**

Spiritual visibility is not a mystery—it’s a principle.

If you’re doing all the right things yet remain unseen, **it’s not your personality—it’s a spiritual covering.**

This chapter is your wake-up call.

You must act.

Pray. Declare. Break the veil.

Every day, as you anoint yourself and command light, something shifts in the realm of the spirit.

## **Scripture & Prayer Focus**

### **Isaiah 60:1 (KJV)**

“Arise, shine; for thy light is come, and the glory of the Lord is risen upon thee.”

### **Prayer Focus:**

Father, I arise today in the glory You have placed on me.

Every veil placed over my face, soul, or spirit—tear it now in the name of Jesus.

### *30 Days to Break the Curse of Late Marriage*

Let those who are assigned to bless, love, and walk with me *see me clearly*.

I command divine exposure, spiritual visibility, and favor in the eyes of my God-ordained spouse.

No more hiding. No more delay. In Jesus' name.

## **12 Prophetic Declarations**

1. I arise and shine—my light is no longer hidden.
2. Every demonic veil of obscurity is destroyed.
3. I am visible to my spouse, my helpers, and my destiny connections.
4. Every jealous altar raised against my marriage is silenced.
5. I radiate God's glory and divine attraction.
6. My name is being spoken in rooms of favor.
7. I reject every curse that says I will never marry.
8. My visibility is increasing in the spirit realm.
9. I carry a fragrance of favor and covenant.
10. Heaven announces my name to the right people.
11. I walk boldly, knowing I am chosen.
12. I declare—this is my season to be seen!

## **12 Powerful Prayer Points**

1. Every spiritual veil covering my marital destiny—catch fire and burn!
2. I break word curses of obscurity, invisibility, and delay.

3. I nullify every jealous utterance against my relationship path.
4. Let divine favor shine upon me like never before.
5. Father, restore my spiritual image and identity.
6. Let my light be seen from afar by my God-ordained spouse.
7. I command all demonic blindfolds to be removed from those assigned to my life.
8. Let my name arise in conversations of divine favor.
9. I cancel every curse of being overlooked and ignored.
10. Lord, amplify my presence in the spirit and in the natural.
11. I declare that I will no longer be bypassed.
12. Every dark covering from my past is broken by the blood of Jesus!

### **Final Thought**

It's time to come out of hiding.

You were never meant to live under the radar of destiny.

Every force that kept you unseen—**its power ends today.**

You are not forgotten. You are not invisible.

You are chosen, favored, and positioned for divine connection.

**Command your visibility. Tear the veil. Step into the light.**

Your spouse can no longer miss you—**you are now seen!**

## Day 24

### Praying for Your Future Spouse

One of the most overlooked strategies in breaking the curse of late marriage is learning to intercede for the other side of the promise—**your future spouse**.

Many believers focus intensely on their own healing, deliverance, and breakthrough, while completely ignoring that **the person they are called to marry may also be under spiritual attack**.

What if your delay is not because of you, but because **they** are not in position?

What if they are bound in fear, caught in a wrong relationship, under manipulation, battling soul wounds, or distracted by counterfeits?

Marriage is not a solo journey—it's a divine partnership.

And if one part of the partnership is not aligned, then the covenant cannot be activated.

This is why **prophetic intercession for your future spouse is crucial.**

You are not waiting passively—you are praying proactively.

### **God Is a Matchmaker, But He Works Through Warfare**

The story of Isaac and Rebekah (Genesis 24) is not just a love story—it is a divine orchestration set in motion by **prophetic prayer, obedience, and timing.** Abraham's servant prayed specifically. God answered strategically. And the right spouse was revealed.

In today's world, **you must pray your partner into position.**

You must cancel wrong relationships, break every manipulation, and prepare the path for divine alignment.

### **What If Your Future Spouse Is in the Wrong Relationship Right Now?**

This is a real scenario. The enemy often **plants counterfeits** in the lives of God's chosen ones to **waste their time, drain their emotions, and delay divine unions.**

That's why your prayers must:

- Pull them out of entanglements
- Break every ungodly soul tie
- Call forth clarity, healing, and spiritual awakening
- Rebuke spirits of confusion, fear, and lust

### *30 Days to Break the Curse of Late Marriage*

- Activate their hunger for God and obedience to divine timing

### **Your Intercession Is a Spiritual Investment**

When you consistently pray for your future spouse:

- **Your spirit begins to align** with theirs
- **Discernment increases**
- You begin to recognize **false connections and distractions**
- The Holy Spirit begins to remove blockages in the unseen realm

### **What Should You Pray For?**

Here are targeted areas to cover:

- **Healing from past wounds and relationships**
- **Deliverance from soul ties, witchcraft, and manipulation**
- **Maturity in character, finances, and emotional intelligence**
- **Spiritual growth and hunger for God**
- **Protection from wrong people and confusion**
- **Open doors and divine encounters that lead them to you**

You are not just praying *for* marriage.

You are praying *for the one* who will journey with you in destiny.

## **Break Their Chains, Clear Their Path**

When you pray for yourself, you gain clarity.

When you pray for your future spouse, you activate alignment.

You may never know all the chains they're fighting—but the Holy Spirit does.

Every declaration you make is sending angels on assignment, breaking demonic plots, and *pulling them out of delays*.

Many people don't realize that **spiritual attacks on the other side** are often the real reason for prolonged delays.

By standing in the gap for them, you're doing spiritual warfare on their behalf, and **accelerating your union**.

## **You Must Also Pray for Yourself to Recognize Them**

When the right person shows up, you need spiritual clarity to identify them—not carnal emotion or social expectation.

Your intercession sharpens your spirit to detect authenticity, peace, and confirmation from God.

## **Journal Prompts**

- Have I ever intentionally prayed for my future spouse, not just for my own marriage?

### *30 Days to Break the Curse of Late Marriage*

- What kind of attacks might my future spouse be facing right now?
- Have I made assumptions about delays that could be rooted in their side of the battle?
- How can I build a consistent habit of intercession for my God-ordained partner?

### **Action Step**

1. Set aside 15 minutes daily to prophetically pray for your future spouse by faith.
2. Write a prayer list covering healing, alignment, and divine encounters.
3. Create a list titled “My Spouse’s Deliverance Decrees” and declare it aloud every day for the next 7 days.

### **Affirmation**

My prayers are powerful.

My intercession tears down spiritual blockages.

My future spouse is covered, protected, and being prepared for our union.

I am not alone—God is working behind the scenes.

We will meet at the appointed time.

Nothing will stop what God has ordained.

## Testimonies

### Harlan – France

For years I prayed only about my loneliness. One day, after hearing Bishop Climate teach about praying for the person I hadn't met yet, I shifted my prayers. I started breaking soul ties on their side, canceling counterfeits, and asking God to align them. Three months later, I met someone in an unusual way—she had just come out of a manipulative relationship and said she had been praying for clarity. We're now engaged.

### Irene – France

Bishop Climate prophesied over me, saying my husband was “spiritually blocked.” I took the prophetic instruction seriously. Every night, I stood in the gap, asking God to break soul ties, heal wounds, and release divine timing. Soon after, a man from my hometown reconnected with me—he shared that God had just delivered him from deep confusion about relationships. That's when I knew—my prayers had reached him.

## Real-Life Application

If you only focus on your side of the breakthrough, you may miss the bigger picture.

Every covenant involves **two people**. And **both need to be aligned**.

Your prayers are not just cries—they are *weapons of alignment*.

As you intercede, chains are breaking over your future spouse's life.

### *30 Days to Break the Curse of Late Marriage*

God is not only preparing you for them—He’s preparing them for you.

Stay consistent. Stay expectant. Don’t just wait—**war for your marriage.**

### **Scripture & Prayer Focus**

#### **Genesis 24:12 (KJV)**

“And he said, O LORD God of my master Abraham, I pray thee, send me good speed this day, and show kindness unto my master Abraham.”

#### **Prayer Focus:**

Father, I pray for the one You’ve ordained for me.

Wherever they are—heal them, protect them, and align them.

Deliver them from every spiritual attack, wrong relationship, or confusion.

Prepare their heart for covenant.

Bring us together in divine timing with undeniable clarity.

Let nothing delay what You have destined.

9. Let divine timing overtake every delay.
10. I call them out of darkness and into alignment.
11. Let divine favor rest upon them even now.
12. Father, prepare both of us for a covenant that glorifies You.

## Final Thought

You are not just waiting—you are *warring*.

### *30 Days to Break the Curse of Late Marriage*

The power of marriage begins in the spirit before it's ever seen in the natural.

When you rise up in intercession, **you become the answer to your own delay.**

Your future spouse is real.

And right now, they may need your voice more than you know.

So pray—not in fear, not in desperation, but in prophetic boldness.

**The day you meet, you will know—your prayers carried them there.**

## Day 25

### Discerning Counterfeits

In the journey to divine marriage, one of the most dangerous traps you'll face is the **counterfeit connection**—a relationship that looks good, feels right, and satisfies emotional needs but is not aligned with your destiny.

A counterfeit is not just “a bad person.”

In fact, many counterfeits come *clothed in charm, kindness, and chemistry*.

But the danger lies in this: **They are a distraction. A delay. A destruction wrapped in deception.**

And the moment you fall for a counterfeit, **your destiny is placed on pause.**

#### **What Is a Counterfeit Relationship?**

A counterfeit is a **person strategically sent by the**

**enemy**, or allowed by your own brokenness, to pull you out of purpose.

They may:

- Distract you from your calling
- Drain your emotional and spiritual energy
- Compromise your values
- Accelerate ungodly soul ties
- Block the real connection God intended for you

They appear at the *right time*—but they are the *wrong person*.

This is why discernment is not optional. It is **vital**.

## **Why Counterfeits Feel So Convincing**

The enemy is strategic. He studies your wounds, your desires, your fears.

He doesn't bring someone who turns you off.

He brings someone who **feels like everything you've been waiting for**—but whose spirit is not in covenant with your future.

They may:

- Say the right things but carry the wrong spirit
- Claim to love God but avoid accountability
- Promise commitment but stir confusion

When your emotions are louder than your spirit, **you'll mistake counterfeits for covenant**.

## The Danger of Wasting Time

Every counterfeit relationship **costs you time, energy, and healing.**

Time spent in the wrong relationship is time stolen from the right one.

The longer you stay connected to what is not from God, the more delayed your true blessing becomes.

Some people are still single today **not because God didn't send the right person**, but because they were still *entangled with the wrong one*.

## Signs You're in a Counterfeit Relationship

- You have peace in your emotions but not in your spirit
- You compromise godly standards to keep the relationship
- You experience constant confusion, back-and-forth, or double-mindedness
- You hear red flags but suppress them
- You're trying to make it work instead of letting God confirm it

## How to Discern a True Covenant Connection

1. **Peace, not just passion**
  - A true connection from God comes with inner peace, not anxiety.
2. **Confirmation, not confusion**

### *30 Days to Break the Curse of Late Marriage*

- The Holy Spirit confirms alignment through Scripture, leaders, dreams, or repeated signs.
- 3. **Purpose, not just pleasure**
  - A covenant spouse propels your destiny, not just your feelings.
- 4. **Growth, not regression**
  - You should become more of who God called you to be—not less.

### **Emotions Are Not the Holy Spirit**

Many believers confuse *chemistry* for *confirmation*.

But just because it feels right doesn't mean it's God.

Don't let loneliness become a door for deception.

Your desire for marriage must be led by the **Spirit of Truth**, not the fear of being alone.

### **Cutting Off the Counterfeit**

If you are in a counterfeit relationship:

- **Don't negotiate with your destiny**
- **Don't wait until it "gets better"**
- **Don't spiritualize what God is not in**

You must act decisively. Let go. Delete the number. Block the access.

Every minute of compromise is a minute of delay.

God can only release the divine when you release the counterfeit.

## **Journal Prompts**

- Have I ever stayed in a relationship even when I felt something was spiritually off?
- What red flags have I ignored in the past because of emotional attachment?
- Is there anyone I need to release today to align with God's will for my life?
- Do I trust God enough to let go of a counterfeit, even if it means temporary loneliness?

## **Action Step**

1. Ask the Holy Spirit to reveal any counterfeit relationships or soul ties in your life.
2. Write down the names of any individuals you sense are not aligned with your destiny.
3. Pray for strength and make a clean break—delete, block, and remove all points of contact.
4. Declare aloud: "I refuse to trade divine destiny for emotional deception."

## **Affirmation**

I have the mind of Christ and the discernment of the Spirit.

I will not be fooled by appearances or emotions.

## *30 Days to Break the Curse of Late Marriage*

I will not entertain distractions sent to delay me.

I release every counterfeit and make room for God's best.

I trust God's timing, and I choose alignment over emotional comfort.

### **Testimonies**

#### **Ignacio – Cameroon**

I was dating someone for two years, and everything seemed perfect. But I started having dreams where I saw myself trapped. When I watched a teaching from Bishop Climate about counterfeits, something broke inside me. I obeyed, cut ties, and within four months, God brought someone new into my life. There was no confusion—just peace. We're now married and building ministry together.

#### **Sabrina – Cameroon**

My heart was entangled with a man who said he was “working on himself.” Bishop Climate taught about how delays are often caused by counterfeit partners. That night I fasted and prayed. God gave me a dream showing him surrounded by other women. I let him go. A year later, the man God intended for me pursued me with clarity and honor.

### **Real-Life Application**

Sometimes, the enemy won't send a demon—he'll send a **distraction**.

Not to destroy you quickly, but to waste your years quietly.

Don't wait until the damage is deep. Be bold. Ask hard questions. Watch the fruit.

And if God says, "This is not it,"—**don't hesitate.**

Your destiny marriage cannot flourish in the soil of confusion.

## **Scripture & Prayer Focus**

### **2 Corinthians 11:14 (KJV)**

"And no marvel; for Satan himself is transformed into an angel of light."

#### **Prayer Focus:**

Lord, open my eyes to every counterfeit in my life.

Break emotional entanglements that war against my discernment.

Give me boldness to walk away from anything You didn't send.

Remove every decoy and distraction from my path.

Make me spiritually visible to the right person at the right time.

## **12 Prophetic Declarations**

1. I will not be deceived by false connections.
2. Every counterfeit in my life is exposed and removed.
3. My emotions will not rule over my spirit.
4. I break every soul tie to wrong relationships.
5. I discern truth over charm.
6. I am aligned with God's timing and will.
7. I will not settle for less than God's best.

## *30 Days to Break the Curse of Late Marriage*

8. I recognize peace over pressure.
9. I choose purpose over passion.
10. My destiny will not be delayed by deception.
11. The counterfeit is exiting; the divine is entering.
12. I walk in prophetic clarity and spiritual wisdom.

## **12 Powerful Prayer Points**

1. Father, expose every counterfeit in my life.
2. I cancel every assignment of delay through wrong relationships.
3. Lord, give me discernment beyond emotion.
4. Break every emotional tie that keeps me bound to the wrong people.
5. Let the light of God reveal every hidden agenda.
6. I rebuke confusion and embrace prophetic clarity.
7. Send angels to sever every distraction from my destiny.
8. Every person delaying my covenant, be removed.
9. I cancel soul contracts made out of loneliness or fear.
10. Father, prepare me to recognize my true partner.
11. Let peace be my compass and purpose be my filter.
12. I reclaim all time lost to deception and delay.

## **Final Thought**

Counterfeits are designed to **look right, feel right—but leave you in cycles of almost.**

They are time thieves. Destiny blockers. Emotional decoys.

But today, you break free.

You will no longer be fooled by charm, chemistry, or compromise.

You will choose **alignment over emotion.**

And when the divine connection comes, you'll know—not by how they make you feel, but by the peace, purpose, and presence of God that surrounds them.

**Discern. Decide. Detach. And walk into your promise.**

## Day 26

### Dreams of the Right One

There are few realms more sacred in the spirit than the realm of dreams. God uses dreams to speak when our minds are quiet and our hearts are still. In matters as sensitive and personal as marriage, **He often gives prophetic previews of your future spouse long before they appear in the natural.**

Dreams are spiritual blueprints.

They reveal divine intent.

They expose demonic sabotage.

And they often **announce destiny before manifestation.**

When it comes to marriage, many have received dreams of **a man or woman**, someone unknown, yet spiritually familiar. Others have dreamt of **weddings, rings, or divine encounters**. These are not fantasies—**they are spiritual clues.**

But if dreams aren't understood properly, they are quickly forgotten—or worse, misapplied.

## God Reveals Through Dreams

Throughout Scripture, God used dreams to reveal marital direction:

- **Joseph** was warned in a dream about Mary (Matthew 1:20)
- **Boaz** and Ruth's connection was divinely orchestrated through timing, obedience, and prophetic positioning
- God reveals through symbols, faces, voices, atmospheres, and emotions in dreams

If God is preparing you for divine marriage, **He will often speak ahead of time**—to guide your posture, test your discernment, and build your trust.

## Types of Dreams About Marriage and Spouses

### 1. The Dream of the Unknown Face

- A peaceful, radiant presence you haven't met in the natural. Pay attention to the atmosphere, what they say, and how you feel. This is often a glimpse of your spouse-to-be.

### 2. The Dream of a Wedding or Proposal

- These often symbolize a **divine covenant being formed** in the spiritual realm. However,

### *30 Days to Break the Curse of Late Marriage*

test the source—Satan also uses counterfeit dreams.

3. **Dreams of Your Current Partner or Ex**
  - These dreams reveal whether a relationship is blessed or cursed. If there is constant confusion, cheating, or abandonment in the dream, God may be warning you.
4. **Dreams of Delays or Hindrances**
  - Seeing veils, closed doors, barriers, or interference (from family or spirits) can be a sign of a spiritual battle delaying your union.
5. **Repetitive Dreams**
  - When God repeats a dream, He is often **emphasizing urgency or confirmation.** Write them down. Pray into them.

### **How to Interpret Dreams About Your Future Spouse**

- **Test the source:** Is this dream from God, your flesh, or a demonic influence?
- **Discern the symbols:** Are there rings, roads, open doors, babies, weddings?
- **Sense the atmosphere:** Was it peaceful? Oppressive? Confusing? Divine?
- **Take it to prayer:** Ask God to confirm what He's shown and provide clarity
- **Don't obsess:** Revelation is not always for immediate action but for positioning

## **Dangers of Misinterpreting Dreams**

Many have made costly mistakes by chasing someone they dreamt of without testing the dream.

Others have ignored divine dreams out of fear or confusion.

Dreams are not for **obsession**—they are for **intercession**.

Do not run after a person because they showed up in your dream. Instead, **run to the altar in prayer and ask God to confirm His will.**

## **Prophetic Dreams Require Maturity**

Receiving a dream about someone doesn't give you permission to act out of order. If the person is married, uninterested, or spiritually immature, **wait. Fast. Pray.**

God is never the author of confusion or disorder.

He will confirm His word **through peace, prophecy, and preparation.**

## **Journal Prompts**

- Have I received any dreams about relationships or marriage that I need to revisit?
- How have I responded to those dreams—through faith or fear?
- Do I need to ask God for clarity on a specific person or vision?
- What spiritual symbols or recurring elements show up in my dreams?

## **Action Step**

1. Review your dream history. Write down every dream related to marriage or romantic encounters.
2. Ask the Holy Spirit to reveal which dreams were divine and which were soulish.
3. Repent of any actions you took prematurely based on unconfirmed dreams.
4. Dedicate your dream life to the Lord and ask for **divine filters of truth and clarity.**

## **Affirmation**

I am spiritually sensitive and divinely led.

My dreams are not chaotic—they are consecrated.

I will not be misled by fantasy or fear.

I receive divine dreams with wisdom, patience, and discernment.

God is speaking, and I will interpret with truth and understanding.

## **Testimonies**

### **Felix – United States**

For months I kept seeing the same woman in my dreams—peaceful, always at a table with a Bible. One day, I met her in real life at a ministry event hosted by Bishop Climate. I nearly passed out. I shared the dream with wisdom and patience. Today she's my wife. It was God all along.

## **Carla – Colombia**

I used to dream of failed weddings and broken engagements. It terrified me. After going through the 30 Days program and attending a virtual session with Bishop Climate, I broke a soul tie through deliverance. That very night, I dreamt of a radiant wedding with laughter and joy. It was a divine shift. Hope was restored.

### **Real-Life Application**

Pay attention to the dreams God gives you. They are **spiritual previews of coming attractions**. But don't move prematurely. Interpret with wisdom. Write with faith. Pray with precision.

If you're unsure, ask the Holy Spirit for **confirmation in three ways**: through Scripture, spiritual leadership, and repeated signs.

Not every dream means marry them. Some dreams mean **prepare yourself**.

### **Scripture & Prayer Focus**

#### **Job 33:14–15 (KJV)**

“For God speaketh once, yea twice, yet man perceiveth it not. In a dream, in a vision of the night, when deep sleep falleth upon men, in slumberings upon the bed.”

#### **Prayer Focus:**

Father, open my ears and eyes in the spirit.

### *30 Days to Break the Curse of Late Marriage*

2. Expose and cancel every demonic dream assignment.
3. Reveal my spouse to me through clear and godly dreams.
4. Break every cycle of nightmare-induced confusion.
5. Remove all fear and anxiety from dream interpretation.
6. Let every true dream receive confirmation and clarity.

10. Teach me how to war with the dreams You give me.
11. Restore every virtue stolen through ungodly dream encounters.
12. Seal my dreams under divine authority and peace.

## Final Thought

Your dreams are more than mental activity—they are messages.

In the silence of the night, **Heaven speaks**, and destiny is whispered.

But it is your responsibility to interpret wisely, respond correctly, and wait faithfully.

Don't chase shadows. Chase God.

He will show you not just who—but when, how, and why.

*30 Days to Break the Curse of Late Marriage*

Your marriage is already written in the spirit.

May your dreams confirm what your destiny has already decreed.

## Day 27

### Covenant Relationships and Divine Alignments

**Who surrounds you today shapes who stands with you tomorrow.**

Marriage is not built in isolation. Before divine union is revealed, God often surrounds you with **covenant relationships**—people who prepare, protect, and position you for destiny.

You were not designed to walk this journey alone.

Before Adam received Eve, he walked with God. Before Ruth met Boaz, she walked with Naomi. Before Esther met the king, she aligned with Mordecai. **Each divine union was preceded by a divine alignment.**

Your friends are not just friends. They are voices that either sharpen your discernment or dull your sensitivity.

Your mentors are not just mentors. They are **gatekeepers of spiritual direction and emotional growth.**

Your community is not just background noise. It's either a greenhouse for covenant or a breeding ground for delay.

## **What Are Covenant Relationships?**

A covenant relationship is not based on convenience or gossip. It's forged in loyalty, purpose, and assignment. It points you back to God when you drift, and forward to destiny when you doubt.

Covenant relationships:

- Challenge your compromise
- Sharpen your discernment
- Confront your character
- Stir your spiritual gifts
- Encourage you to wait well and love wisely

You don't need more friends. You need **alignment**.

## **Why Alignment Precedes Assignment**

If your inner circle is toxic, don't be surprised when your love life suffers.

The wrong people:

- Normalize fornication and emotional instability
- Convince you to chase lust, not purpose
- Guilt-trip you for walking away from dysfunction
- Speak against your desire for godly marriage
- Mock your celibacy or standards

The right people:

- Pray with you
- Fast with you
- Wait with you
- Celebrate your obedience
- Hold you accountable
- See your future before others can

Before you pray for your spouse, pray for your **circle**.

### **Divine Alignments: God's Way of Positioning You**

There are some people you don't chase—**God sends them**.

You don't manipulate them to stay—**they are tied to your purpose**.

You don't use them for gain—**they are sent to unlock grace**.

These people are not always romantic, but they are **critical** to your love journey.

They may be:

- A spiritual mentor
- A prophetic friend
- A kingdom counselor
- A divine connector
- A destiny-helper who introduces you to someone else

**Don't despise their role. Don't overlook their voice. Don't dismiss their advice.**

## **Building Your Pre-Marital Community**

Before marriage, you must:

1. **Surround yourself with spiritual maturity**
  - Join communities that value purity, prophecy, and prayer.
2. **Detox from draining friendships**
  - Break ties with gossipers, doubters, and mockers.
3. **Find accountability**
  - Someone who will ask you the hard questions.
4. **Submit to wise counsel**
  - Especially from spiritual leaders who walk in integrity.
5. **Connect to faith-builders**
  - People who see your future more clearly than your past.

## **Journal Prompts**

- Who are the five people I spend the most time with? Are they helping or hindering my preparation for marriage?
- Do I have at least one covenant friend who challenges me spiritually?
- What alignments do I need to break? What alignments do I need to build?
- Have I dismissed a divine helper because they weren't who I expected?

## Action Step

1. Make a list of your top 5 closest relationships.
2. Pray over each name. Ask the Holy Spirit: *Is this person part of my future or part of my delay?*
3. Reach out to at least one mentor, accountability partner, or spiritually mature friend and **invite them into your preparation journey.**
4. Break ties with anyone consistently pulling you away from purity, purpose, or spiritual growth.

## Affirmation

I am not walking alone.

God is aligning me with covenant friends, prophetic mentors, and destiny helpers.

I disconnect from all delay-inducing relationships.

I welcome divine alignments that position me for love, purpose, and breakthrough.

I am surrounded by people who build, bless, and boldly speak truth into my life.

## Testimonies

### Darren – Colombia

I used to be surrounded by friends who laughed at the idea of waiting on God for marriage. After I joined Bishop Climate's online teachings, I realized I was unequally yoked with every friend in my circle. I let go—and God sent me kingdom men

who not only prayed with me but helped me identify my purpose. Within months, everything began shifting.

### **Paula – Ghana**

My dream of marriage was constantly mocked by relatives and friends. I often felt I was crazy for believing God would send the right man. But after connecting with Bishop Climate Ministries, I met a mentor who became my prayer partner. She introduced me to her church family—one of whom became my fiancé. All it took was one divine connector.

### **Real-Life Application**

Before Ruth lay at the feet of Boaz, she followed Naomi's instructions. Before Isaac married Rebekah, Abraham sent a trusted servant. In every divine marriage, **there was someone who helped facilitate the miracle.**

Your marriage miracle may be on the other side of a phone call. A meeting. A mentor. A church. A prophetic gathering. Don't ignore the relationships God is highlighting.

Alignment **is not optional**—it's required for assignment.

### **Scripture & Prayer Focus**

#### **Proverbs 13:20 (NIV)**

"Walk with the wise and become wise, for a companion of fools suffers harm."

#### **Prayer Focus**

Father, align me with the right people.

Surround me with mentors, encouragers, and prophetic friends.

Disconnect me from every destiny-drainer.

Expose every counterfeit voice in my life.

Build my tribe before You bring my spouse.

Let every relationship in my life reflect Heaven's will for me.

## **12 Prophetic Declarations**

1. I am aligned with God-ordained relationships.
2. Every destiny-drainer is removed from my life.
3. I walk with people of wisdom and vision.
4. I attract divine helpers and covenant connectors.
5. My community is blessed, pure, and prophetic.
6. I will not be sabotaged by wrong friendships.
7. God is highlighting my tribe before my spouse.
8. I disconnect from gossip, confusion, and spiritual compromise.
9. I build godly relationships that support my destiny.
10. I honor covenant and receive divine protection through it.
11. I am not hidden—I am divinely positioned.
12. Every voice around me will push me forward, not pull me back.

## **12 Powerful Prayer Points**

1. Lord, send me covenant friends who sharpen me in truth.

### *30 Days to Break the Curse of Late Marriage*

2. Break every emotional and spiritual tie to unfruitful relationships.
3. Remove every manipulative, jealous, or divisive person from my life.
4. I cancel every soul tie delaying my destiny.
5. Let the spirit of discernment rest upon my relationships.
6. Reveal those who are for my future and expose those who are against it.
7. Surround me with intercessors who war for my destiny.
8. Raise up divine mentors and prophetic voices to guide me.
9. Deliver me from loneliness that drives me to toxic people.
10. Align me with the people who carry my next season.
11. Let my life attract helpers of vision, not haters of purpose.
12. Secure my tribe in the spirit and establish my kingdom community.

### **Final Thought**

Your future marriage is not a solo journey—it's a **community effort**.

God uses people to usher in promise.

But He also removes people to protect you from sabotage.

It's time to open your heart to alignment, mentorship, and accountability.

Because **who walks with you now** will determine **who stands with you later.**

May your life be filled with covenant.

May your destiny be surrounded by alignment.

And may your future spouse find you **already in the right tribe, thriving in purpose.**

## Day 28

### Breaking the Marriage Delay in Your Lineage

Some delays are not personal—they are **generational**.

You may not be the cause, but you have been chosen to be the **breaker**.

If no one in your family has married on time...

If every aunt, uncle, sibling, or parent either married late, divorced early, or never married at all...

If there are endless cycles of disappointment at the altar, long engagements that go nowhere, or repeated stories of “almost marriage”...

You are not just a victim—you are a **targeted generation**.  
But even more importantly—**you are a deliverer**.

#### **What Is a Generational Marriage Delay?**

This delay operates like an inherited curse—*not* through DNA, but through demonic covenant. It’s often rooted in:

- **Witchcraft** (ancestral dedications to idols or spirit spouses)
- **Vows** (family lines that vowed "never to marry again")
- **Abuse** (where a matriarch suffered heartbreak and transferred her bitterness to her daughters)
- **Control** (relatives who destroy relationships behind the scenes)
- **Altars** (family altars that reject covenant love or block fruitfulness)

The result?

- A pattern of late marriage or no marriage at all
- A lineage of single mothers and fatherless children
- Broken engagements, infidelity, or relationship sabotage
- Confusion and premature rejection from potential partners
- Generational fear of commitment or trust

## **You Are the Breaker in Your Bloodline**

You were **not born to repeat the curse.**

You were born to **reverse it.**

Every bloodline delay is a spiritual altar that must be torn down.

You must become the *first to break through*, the *first to marry in divine timing*, the *first to change the narrative*.

This chapter is your **prophetic war cry**—to rise up and dismantle the inherited resistance against your marriage.

## **Identifying the Signs of a Lineage Delay**

Look deeper. Ask these questions:

- Were your parents married? If yes, was it late or dysfunctional?
- Are your older siblings single, divorced, or stuck in wrong relationships?
- Is there a common story of heartbreak, betrayal, or barrenness in your family?
- Do you feel an invisible resistance every time you get close to marriage?

If the answer is yes—**you're not crazy. You're under generational resistance.**

## **Reversing the Pattern Starts With You**

To break this curse:

1. **Repent on behalf of your lineage**
  - Confess and cancel the sins, rituals, and vows of your ancestors that opened doors to delay.
2. **Tear down family altars**
  - Use anointing oil, prophetic prayer, and fasting to disconnect from demonic bloodline strongholds.
3. **Renounce every pattern**
  - Declare you will not walk in the footsteps of those before you.
4. **Sow prophetic seed for your generation**
  - Every generational curse must be exchanged at a spiritual altar.
5. **Declare your marriage as a new covenant**

- Not just for you—but for the children who will come after you.

## **Journal Prompts**

- What are the patterns of marriage (or delay) in your family?
- Who in your family got married late, never married, or had relationships that failed mysteriously?
- Have you heard family stories that normalize heartbreak, delay, or mistrust in love?
- How do you believe your marriage can set a new standard for generations to come?

## **Action Step**

Write down the full list of generational marriage patterns in your family—every delayed marriage, every never-married relative, every sabotage story.

Then declare out loud:

“This stops with me. I break every generational curse of delay, rejection, fear, heartbreak, and spirit spouses in my family line. I will not walk in these patterns. I will marry in God’s perfect timing and rewrite my family history.”

Anoint your hands, your head, and your womb/loins with oil as a prophetic act.

## **Affirmation**

I am the first in my bloodline to walk in divine marital timing.

The curses of late marriage, failed engagements, and relationship sabotage are broken.

I am chosen to rebuild what was destroyed.

My marriage will be the first of many in a lineage of covenant, love, and legacy.

I carry the blessing of breakthrough for generations yet unborn.

## **Testimonies**

### **Bryan – Ghana**

In my entire family, no man had married before 40. Every attempt ended in betrayal or strange separation. Through Bishop Climate's teachings and anointing oil service, I renounced my family's altar of delay. Within six months, God aligned me with my wife. I married at 33—the first man in my bloodline to do so.

### **Xiomara – Belgium**

My grandmother and mother both had children but never married. I almost followed the same path until I joined Bishop Climate's online prayer sessions. I broke generational soul ties and fasted with the book *30 Days to Break the Curse of Late Marriage*. I am now engaged, and my fiancé is everything I never thought I could have. God reversed the curse.

## **Real-Life Application**

Just like Abraham left his father's house to start a new lineage, you must spiritually exit the house of **delay, dysfunction, and dishonor.**

Your obedience now secures marital blessings for your children.

Your deliverance now writes a new script.

What your family could not do, **you will do.**

You are not the victim of your bloodline—you are its **rebuilder.**

## **Scripture & Prayer Focus**

### **Nehemiah 2:18 (NIV)**

“Let us rise up and build. So they strengthened their hands for the good work.”

### **Prayer Focus**

Father, I stand as a repairer of the breach in my bloodline.

I repent on behalf of every unholy covenant, sexual sin, or demonic agreement made by my ancestors.

I renounce every altar of delay, heartbreak, and sabotage.

I declare that I am the breaker.

Let my marriage be a sign and wonder in my family.

Let future generations eat the fruit of this victory.

## **12 Prophetic Declarations**

1. I am the first to break the curse of late marriage.
2. My lineage is free from spiritual delay and sabotage.
3. I carry the mantle of marital restoration in my family.
4. Every generational altar of delay is consumed by fire.
5. My name is removed from the register of delay.
6. I walk in divine marital alignment.
7. I will marry in God's perfect timing.
8. I will be fruitful and multiply in covenant love.
9. My marriage will reverse the patterns of the past.
10. My testimony will echo for generations.
11. What my family couldn't do, I will accomplish.
12. I am building a legacy of covenant and blessing.

## **12 Powerful Prayer Points**

1. Father, expose every hidden covenant of delay in my family.
2. I repent for the sins of my bloodline that gave access to spirit spouses and rejection.
3. I command every ancestral altar of marriage delay to scatter by fire!
4. I break soul ties to every generational pattern of heartbreak.
5. Let the curse of late marriage in my lineage be overturned.
6. I uproot every foundational spirit blocking covenant relationships.
7. I plead the blood of Jesus over my womb, loins, and lineage.

8. I call forth divine alignment and timely marriage into my bloodline.
9. Every unholy dedication to marine spirits—be revoked now!
10. I release angels of marriage breakthrough into my family.
11. I declare the beginning of godly marriages in my house.
12. My marriage will become the altar of blessing for generations.

### **Final Thought**

Your family may have suffered delay, but you were born to destroy it.

You are not just preparing for your marriage—you're preparing for **a lineage of covenant and glory.**

Every altar of shame will turn into an altar of celebration.

Every delay will become a testimony of acceleration.

Your obedience today births a new generational rhythm—**one of timely marriages, fruitful homes, and divine destiny.**

**The curse ends with you. The blessing begins through you.**

## Day 29

### Receiving Prophetic Confirmation

There comes a moment in your journey where **you are no longer contending, but entering**. The walls of delay begin to collapse. The fog of confusion clears. The signs begin to align. But if you are not spiritually alert, you may miss it.

**Prophetic confirmation** is God's way of declaring to your spirit: "*The season has changed.*"

Yet many people continue to fight old battles in a new season—not because the warfare hasn't ended, but because they haven't recognized the signs of divine fulfillment.

This chapter is your **training ground for discernment**. You are not just learning how to pray—but how to perceive. God doesn't speak only through dreams or voices. He also confirms through **peace, order, timing, and alignment**.

When the wait is over, **you must be able to recognize it**.

## Discerning the Shift in Seasons

Your life moves in **spiritual seasons**—and just like nature, each season has signs:

- In winter, everything is buried and quiet.
- In spring, seeds begin to push through.
- In summer, there is visibility, fruit, and movement.
- In autumn, things align, and the harvest begins.

You must **know what season you're in**, so you don't keep fasting in spring when it's time to gather in summer.

How do you know when marriage is near?

What confirms that **God has shifted your story**?

## Three Signs Your Season Has Shifted

### 1. Prophetic Words Begin to Converge

What was once random now becomes repeated.

You hear the same message from different voices.

Everywhere you turn—church, YouTube, Bible studies—someone is confirming what God already whispered to you.

This is not coincidence—it's prophetic convergence.

### 2. Supernatural Peace Sets In

When your warfare breaks and your heart is finally still, it's not apathy—it's alignment.

God will confirm the right person, right place, or right move through **a peace that bypasses logic**.

It won't make worldly sense. But it will bring deep, unwavering calm.

### **3. Unexplainable Acceleration and Favor**

What used to be hard becomes easy.

What took years before now takes days.

Doors open without you knocking.

People offer help without you asking.

This is not luck—it's **supernatural alignment**.

### **How Prophetic Confirmation Looks**

Sometimes God uses:

- **A random sermon** that says exactly what you needed
- **A dream** that confirms a face, a direction, or a name
- **A person** who doesn't know your situation but gives a confirming word
- **Sudden joy** when speaking about a person you're considering
- **Unusual timing**—bumping into someone, reconnecting, or a door opening right after a prayer

Prophetic confirmation will *never confuse you*.

It will establish you, anchor you, and make crooked places straight.

## Why You Must Stay Spiritually Sharp

Spiritual dullness causes many to *miss their visitation*.

You can be so traumatized by delay that you don't recognize fulfillment.

You can be so used to struggle that you ignore peace.

You can be so caught up in past rejections that you second-guess your answer prayer.

You must be **healed enough to perceive, strong enough to respond, and bold enough to say yes.**

God is not just preparing you to meet the right person.

He is preparing you to **recognize them when they come.**

## Journal Prompts

- Have you noticed recurring themes, scriptures, or words about marriage in this season?
- Are you experiencing unusual peace around a decision, person, or timing?
- What signs has God used in the past to confirm direction for you?
- Do you feel your spirit moving from “waiting” to “receiving”? Why?

## Action Step

Ask the Holy Spirit today for **confirmation with clarity.**

Write this prayer:

## *30 Days to Break the Curse of Late Marriage*

“Lord, I ask for unmistakable prophetic confirmation. Open my eyes to see signs, my heart to discern timing, and my spirit to recognize divine alignment. I refuse to miss my season.”

Then, keep a three-day log of every sign, word, dream, or unusual favor that happens.

Watch for **divine repetition**—God often speaks twice to confirm a shift.

### **Affirmation**

I am in divine alignment.

I recognize the shift in my season.

My heart is sensitive, my spirit is sharp, and my eyes are open.

I move with God’s timing, not man’s pressure.

My confirmation will be clear, and my peace will be sure.

I will not miss my moment of fulfillment.

### **Testimonies**

#### **Bruno – Belgium**

I had been fasting for weeks when I saw three different videos of Bishop Climate pop up back-to-back. The message? “Your marriage is near.” I asked for confirmation, and the very next day I met someone in the prayer line who shared a dream she had about me walking down the aisle. I knew God was speaking.

## **Allison – Argentina**

I used to be afraid I'd miss my season. But one night, after sowing a seed in faith, I had a dream of a garden blooming. I woke up with peace. That same week, my now-fiancé reached out. Everything aligned—from our vision to our families. It was no longer striving. It was peace.

### **Real-Life Application**

Don't live in the old season when God has ushered in the new.

This is the season where the **cloud has moved**, and you must move with it.

If you keep fighting when God is aligning, you will frustrate the blessing.

But if you become *still enough to hear*, you'll see that what you've prayed for is already approaching.

Your marriage season will not begin with a scream. It will begin with a whisper—**but you must be ready to hear it.**

### **Scripture & Prayer Focus**

#### **Isaiah 55:12 (NIV)**

“You will go out in joy and be led forth in peace.”

#### **Prayer Focus:**

Father, make me sensitive to Your confirmations.

Let me not ignore the signs You've placed before me.

### *30 Days to Break the Curse of Late Marriage*

Open my spirit to discern my moment of fulfillment.

I break fear, confusion, and double-mindedness.

I receive clarity, peace, and divine perception.

Let every door You have opened be visible and clear.

I declare I will not miss my marriage season.

## **12 Prophetic Declarations**

1. I walk in divine alignment and heavenly timing.
2. My spiritual senses are sharp and active.
3. I recognize divine confirmation when it comes.
4. I receive God's peace as a guide in all things.
5. I will not be deceived or misled by counterfeits.
6. Every door God opens for me, I will walk through.
7. My season has shifted and I respond by faith.
8. No confusion will derail my destiny.
9. I declare clarity over every step I take.
10. I receive prophetic confirmation in dreams, words, and signs.
11. I walk with confidence into divine fulfillment.
12. The Lord is speaking, and I hear Him clearly.

## **12 Powerful Prayer Points**

1. Lord, sharpen my discernment in this season.
2. I bind every spirit of confusion and spiritual blindness.
3. I declare a supernatural shift in my marriage season.
4. Let the right person be revealed to me with clarity.

5. Father, send prophetic signs I cannot ignore.
6. I reject distractions and demonic counterfeits.
7. Let divine peace flood every decision I make.
8. I call forth prophetic alignment from heaven.
9. Expose every hidden trap and false door.
10. Release your angels to guide me in my choices.
11. Let every prophetic word over my life come to pass.
12. I receive my marriage season with joy and confidence.

## Final Thought

The shift has happened.

The door is already opening.

The signs are already appearing.

Your job now is to **recognize** it.

No more fighting battles that have already been won.

No more fasting over what God is already confirming.

No more wandering in circles when the path is clear.

Your season has changed—and your prophetic confirmation is coming.

Stay sensitive. Stay humble.

And when the sign appears—**walk boldly into fulfillment.**

## Day 30

### Marry Right, Marry Well, Marry On Time

You've come a long way.

Thirty days of prayer, deliverance, revelation, and transformation.

Thirty days of confronting invisible chains, rejecting demonic delay, and realigning your destiny.

Now you stand at the threshold—not just of marriage, but of *marrying right, marrying well, and marrying on time*.

This final chapter is not just a celebration—it is a **commissioning**. Because breakthrough isn't only about getting married—it's about *becoming the person who attracts and sustains* a God-ordained covenant.

There are many who marry—but few who do it right.

Many enter a union—but lack the tools to sustain love.

And many marry late—not because God delayed them, but because they were not prepared to *discern, decide, and decree*.

You will not be one of them.

## What It Means to Marry Right

To marry right means:

- You choose a **God-ordained partner**, not a temporary filler for loneliness.
- You are *spiritually aligned*, emotionally healed, and mentally clear.
- You don't marry for status, looks, or pressure—but for purpose, vision, and kingdom legacy.

To marry well means:

- You build a relationship rooted in **mutual honor, truth, and friendship**.
- You partner with someone who knows how to love you through storms.
- You attract what God has already prepared—not what looks good on paper.

To marry on time means:

- You do not rush ahead of God's plan, nor fall behind it.
- You are **in step with heaven**, walking in kairos moments.
- You do not delay your destiny with indecision or emotional confusion.

## **Sealing the Journey**

You've broken the curses.

You've renounced the spirit spouses.

You've prayed for your future partner.

You've discerned counterfeits.

You've watched for prophetic confirmation.

Now you must seal everything with three things: **wisdom, obedience, and faith.**

### **Wisdom**

Wisdom says “no” to what looks good, but isn't God.

Wisdom protects what you've prayed for.

Wisdom sees beyond emotion and evaluates the spirit.

### **Obedience**

Obedience is hearing God and moving when He says move.

It is not rebellion in disguise.

Delayed obedience is still disobedience.

### **Faith**

Faith says “yes” when everything else says wait.

Faith keeps preparing even when nothing is visible.

Faith believes God is not only willing—but **on time.**

## Preparing for the Promise

You are not just waiting for marriage—you are stewarding the promise.

This means:

- **Guard your atmosphere.** Stay away from confusion, bitterness, and distractions.
- **Keep praying.** Even after the 30 days, continue intercession.
- **Remain expectant.** Don't return to doubt. Don't go back to broken patterns.
- **Surround yourself with alignment.** Be among those who believe in your future.

You've done the spiritual work.

Now it's time to walk in **prophetic peace, clarity, and covenant order**.

## Journal Prompts

- What have I learned about myself in these 30 days?
- How has my mindset shifted regarding marriage and timing?
- What habits, people, or thoughts must I permanently leave behind?
- Am I ready to step forward in wisdom, faith, and sustained alignment?

## **Action Step**

Write a **prophetic letter to your future spouse**.

Start with:

“I have prepared for you in the spirit. I’ve broken every delay. I’ve prayed you through. I will recognize you when you come. And I will marry you in the will of God, not the pressure of man.”

Seal it in an envelope and keep it where you can revisit it once God brings them into your life.

Then write this prayer:

“Lord, I seal my deliverance. I declare I am marriage-ready in spirit, soul, and body. I will marry right, marry well, and marry on time. I will not be late, and I will not miss my moment.”

## **Affirmation**

I am no longer bound.

I am free to love, free to receive, and free to enter covenant.

I walk in wisdom, obedience, and faith.

I trust God’s timing and rejoice in His preparation.

I will marry right.

I will marry well.

And I will marry on time.

## **Testimonies**

### **Todd – Argentina**

After 15 years of broken relationships and soul ties, I found this book. I didn't realize how many spiritual doors I had left open. But after the 30 days, I felt like I'd finally stepped out of a dark room into the light. Within months, a godly woman came into my life—and every sign, every dream, and every prayer confirmed her. We are now married and building a kingdom business together.

### **Diana – United Kingdom**

I used to cry every Valentine's Day. Not out of loneliness, but out of frustration. I didn't know what was wrong. But when I followed these 30 steps, I discovered spiritual covenants I had never broken. I repented, renounced, and anointed my home. I even wrote a letter to my husband. Less than six months later, I met him—at a prayer meeting. God is faithful, and I finally married on time.

## **Real-Life Application**

Don't treat these 30 days as a challenge.

Treat them as a covenant.

Now that your mind is renewed and your soul is delivered—  
**walk accordingly.**

Say “no” to what no longer aligns.

Say “yes” to preparation, healing, and joy.

### *30 Days to Break the Curse of Late Marriage*

Your spouse will not complete you—they will **compliment the wholeness** you've already established.

The key to sustaining what God gives you is **becoming who He designed you to be.**

Marriage is not a reward.

It is a divine assignment.

You're ready now. Walk in it.

### **Scripture & Prayer Focus**

#### **Isaiah 34:16 (KJV)**

“Seek ye out of the book of the Lord, and read: no one of these shall fail... for my mouth it hath commanded, and his spirit it hath gathered them.”

#### **Prayer Focus:**

Father, I thank You for every breakthrough.

I seal these 30 days with expectation and obedience.

I renounce every residual fear, delay, or sabotage.

I receive divine alignment, divine connections, and divine timing.

I declare I will not miss my marriage season.

I will recognize the one You've chosen.

And I will walk into covenant, joy, and purpose.

## **12 Prophetic Declarations**

1. I am no longer under the curse of delay.
2. I walk in prophetic alignment and divine preparation.
3. I will marry by destiny, not desperation.
4. I am equipped to love, serve, and build in covenant.
5. Every spiritual spouse is cast out and blocked.
6. I attract what heaven has assigned.
7. I discern and reject counterfeits.
8. My marriage shall glorify God.
9. I am in step with divine timing.
10. I carry favor for divine love and alignment.
11. I will marry right, marry well, and marry on time.
12. My marriage will be a testimony of God's faithfulness.

## **12 Powerful Prayer Points**

1. Lord, seal every breakthrough from these 30 days.
2. I break every final residue of delay, fear, or sabotage.
3. Let my divine partner locate me without confusion.
4. I declare my spirit is alert and my heart is healed.
5. Let your angels surround me with protection and alignment.
6. I command every demonic counterfeit to be exposed.
7. Prepare me for covenant love and enduring unity.
8. Let no past relationship resurrect or return.
9. Release divine favor that attracts the right one.
10. Speak to me clearly through dreams, signs, and peace.
11. I cancel all backlash and retaliation against my deliverance.
12. I receive the anointing to marry right, well, and on time.

## **Final Thought**

You did it.

Thirty days of war. Thirty days of pressing in.

Thirty days of shedding the old and welcoming the new.

This is not the end—it is the beginning of your covenant season.

The same God who walked you through healing, will walk you into fulfillment.

The same power that broke delay, will now build alignment.

And the same faith that kept you standing, will now carry you into love.

**Marry right.**

**Marry well.**

**Marry on time.**

Your testimony will shake nations.

Your union will birth legacy.

Your future has already begun.

Now rise—and walk into your promise.

## Conclusion

You've crossed the finish line of a 30-day transformation—and this is your moment to pause, breathe deeply, and celebrate what God has done in you. This was more than a reading assignment. This was warfare. This was deliverance. This was the unraveling of years of delay, confusion, bondage, and disappointment. And now—*you are free*.

You may have begun this journey with questions, pain, or frustration. But day by day, truth replaced lies, healing silenced torment, and boldness replaced fear. You shut the doors to the past. You uprooted generational curses. You prayed for your future. You cast out the spirit of delay. And you aligned yourself with God's perfect timing.

Look at who you've become.

You are not the same person who started this book.

You are wiser. You are bolder. You are spiritually alert.

You are emotionally healed. You are ready.

### *30 Days to Break the Curse of Late Marriage*

You have not just broken the curse of late marriage—you've stepped into *covenant readiness*.

#### **Keep Growing. Keep Walking. Keep Believing.**

Deliverance is not an event—it is a lifestyle.

Freedom is not a moment—it is a responsibility.

And destiny is not a wish—it is a path you walk daily, by faith.

The truths in this book have shifted you. But now you must live them.

Stay committed.

Return to these pages as often as you need.

Use the prayers and declarations daily.

Surround yourself with people who sharpen your vision.

Reject every voice that questions your worth or distracts your focus.

You've come too far to go back.

You've just entered a new season—now walk like it.
